NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MARCH 21, 2013

Dear Stockholder:

NOTICE IS HEREBY GIVEN that the 2012 Annual Meeting of the Stockholders of Vermillion, Inc., a Delaware corporation (“Vermillion” or “the Company”), will be held on March 21, 2013 at 8:00 a.m. (Central Daylight Savings Time), at the Hampton Inn, 2013 FM 620 South, Lakeway, Texas 78734 for the following purposes:

1. To elect one person as a Class III director, to serve for a three-year term and until his successor is duly elected and qualified (Proposal 1);
2. To hold an advisory vote to approve the compensation of our Named Executive Officers, as presented by this proxy statement (Proposal 2);
3. To ratify the selection of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2012 (Proposal 3);
4. To approve an amendment and restatement of the Company’s 2010 Stock Incentive Plan (the “2010 Plan”) for the purpose of increasing the number of shares of common stock authorized for issuance under the 2010 Plan by 1,300,000 shares (Proposal 4); and
5. To transact such other business as properly may be brought before the Annual Meeting or any adjournment thereof.

The foregoing items of business are more fully described in the proxy statement accompanying this Notice.

The Board of Directors (the “Board”) has fixed the close of business on January 24, 2013 as the record date for determining the stockholders entitled to receive notice of, and to vote at, the Annual Meeting or any adjournment thereof. A complete list of such stockholders will be available for examination by any stockholder for any purpose germane to the Annual Meeting during ordinary business hours at our executive offices at 12117 Bee Caves Road, Building Three, Suite 100, Austin, Texas 78738 for a period of 10 days before the Annual Meeting.

All stockholders are cordially invited to attend the Annual Meeting in person. To ensure your representation at the Annual Meeting, you are urged to sign and date the attached **BLUE** proxy card and return it in the enclosed pre-addressed postage-paid envelope. Any stockholder attending the Annual Meeting may vote in person even if that stockholder has returned a proxy.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be held on March 21, 2013

The proxy statement and our annual report on Form 10-K for the year ended December 31, 2011, as amended, are available at <http://www.vermillion.com>.

*****Board of Directors’ Recommendation*****

We believe that the director nominee proposed by the Board, Roberta L. Della Vedova, is the most qualified candidate up for election at the Annual Meeting as she has the requisite management experience in clinical diagnostics. Ms. Vedova was recommended for selection by the Nominating and Governance Committee and was approved by the Nominating and Governance Committee and the independent members of the Board. Ms. Vedova brings a broad range of relevant industry experience to the Board, having previously provided direction and oversight to companies engaged in the development, manufacture, and marketing of bioreagents and instruments, as well as in the delivery of laboratory services for cancer diagnostics.

*****CAUTION*****

Please note that a group of three stockholders – György B. Bessenyei, Gregory V. Novak and Robert S. Goggin (collectively, the “Group”), who beneficially own approximately 1.6% of the Company's common stock in the aggregate – has filed preliminary proxy statements with the Securities and Exchange Commission on April 20, 2012 (with amendments thereto filed on May 4, 2012, May 8, 2012, May 21, 2012, and May 23, 2012), and on December 12, 2012. You may receive proxy solicitation materials from or on behalf of the Group, including an opposition proxy statement and proxy card. **The Group’s potential nominee, Robert S. Goggin, is NOT endorsed by the Board. The potential nominee proposed by the Group is an attorney in private practice, with little or no experience in clinical diagnostics, and no apparent public company board or management experience. In addition, the Group’s potential nominee was found by the Delaware Chancery Court to have knowingly caused his assistant to improperly notarize court filings in connection with a proxy related dispute, in violation of the rules of the court and Pennsylvania law, and, moreover, that the conduct of Mr. Goggin appeared to be a violation of the Pennsylvania rules of professional conduct applicable to Pennsylvania lawyers. The Board urges you to vote FOR our nominee for director on the attached BLUE proxy card. The Board also urges you NOT to sign or return any proxy card sent to you by or on behalf of the Group.**

Even if you have previously signed a proxy card sent by or on behalf of the Group, you have the right to change your vote. If you wish to change your vote, please sign, date and mail the attached BLUE proxy card in the enclosed pre-addressed postage-paid envelope. Only the latest-dated proxy card you submit will be counted.

By Order of the Board of Directors

/s/ Bruce A. Huebner

YOUR VOTE IS IMPORTANT. IN ORDER TO ENSURE YOUR REPRESENTATION AT THE ANNUAL MEETING, YOU ARE URGED TO SIGN AND DATE THE ATTACHED BLUE PROXY CARD AND RETURN IT IN THE ENCLOSED PRE-ADDRESSED POSTAGE-PAID ENVELOPE AS SOON AS POSSIBLE.

PROXY STATEMENT

Annual Meeting of Stockholders to be Held on
INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

General

The enclosed proxy is solicited on behalf of the Board of Directors (the “Board”) of Vermillion, Inc., a Delaware corporation (“the Company,” “we,” “us” or “our”), for use at our 2012 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on March 21, 2013 at 8:00 a.m. (Central Daylight Savings Time). The Annual Meeting will be held at the Hampton Inn, 2013 FM 620 South, Lakeway, Texas 78734. The Notice of our 2012 Annual Meeting, this proxy statement, the accompanying **BLUE** proxy card and our Annual Report on Form 10-K for the year ended December 31, 2011 will first be mailed to stockholders on or about February 6, 2013, and are also available online at <http://www.vermillion.com>. Our principal executive offices are located at 12117 Bee Caves Road, Building Three, Suite 100, Austin, Texas 78738 and the telephone number is (512) 519-0400.

Record Date; Outstanding Shares

The voting securities entitled to vote at the Annual Meeting consist of only shares of common stock. Only stockholders of record at the close of business on January 24, 2013 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, there were 15,200,079 shares of our common stock, par value \$0.001 per share, issued and outstanding and entitled to vote.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to us at our principal executive offices (12117 Bee Caves Road, Building Three, Suite 100, Austin, Texas 78738, Attention: Investor Relations) either a written notice of revocation or a duly executed proxy card bearing a later date, or attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy. For shares held in street name by beneficial owners, they may change their votes by submitting a later dated **BLUE** voting instruction form to their brokers, banks, or other nominees or, if they have obtained legal proxies from their brokers, banks, or other nominees giving them the right to vote their shares at the Annual Meeting, by attending the Annual Meeting and voting in person. Likewise, if you have already voted a proxy furnished by or on behalf of György B. Bessenyei, Gregory V. Novak and Robert S. Goggin (collectively, the “Group”) or other persons or entities, you may **REVOKE** it through these same procedures. Submitting a proxy card furnished by or on behalf of the Group or other person or entities will revoke votes you have made via our **BLUE** proxy card.

Solicitation of Proxies

This solicitation of proxies is made by us and all related costs will be borne by us. In addition, we will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors, officers and employees, without additional compensation, personally or by electronic or regular mail, telephone, facsimile or press releases. Appendix A sets forth certain information relating to our directors, officers and employees who are deemed to be “participants” in our solicitation of proxies under the applicable rules of the Securities and Exchange Commission (the “SEC”).

As a result of the potential proxy contest by the Group, we will incur substantial additional costs in connection with our solicitation of proxies. We have retained D.F. King & Co., Inc. (“D.F. King”) to assist in the solicitation of proxies for a fee of up to \$75,000 plus out-of-pocket expenses. D.F. King expects that approximately 25 of its employees will assist in the solicitation. Our expenses related to the solicitation of proxies from stockholders this year will substantially exceed those normally spent for an annual meeting. Such additional solicitation costs are expected to include the increased fee payable to our proxy solicitor; fees of our outside counsel to advise us in connection with a contested solicitation of proxies; increased mailing costs, such as the costs of additional mailings of solicitation material to stockholders, including printing costs, mailing costs and reimbursement of reasonable expenses of banks, brokerage houses and other agents incurred in forwarding solicitation materials to beneficial owners of our common stock, as described above; and the costs of retaining an independent inspector of election. To date, we have incurred approximately \$279,000 of costs in connection with the solicitation. The total amount estimated to be spent in connection with the solicitation is \$450,000. No employees have been specially engaged to solicit proxies; however, it is anticipated that our Interim Chief Executive Officer may meet with investors respecting matters to be acted upon at the Annual Meeting.

If you have questions about how to vote your shares, or need additional assistance, please contact D.F. King & Co., Inc., which is assisting Vermillion, Inc. in the solicitation of proxies:

Quorum; Abstentions; Broker Non-Votes

Holders of a majority of the outstanding shares entitled to vote must be present, in person or by proxy, at the Annual Meeting in order to have the required quorum for the transaction of business. If the shares present, in person and by proxy, at the meeting do not constitute the required quorum, the meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum. When a proxy card is properly dated, executed and returned, the shares represented by such proxy card are counted in determining whether a quorum exists, even if the shares are voted “ABSTAIN” or “WITHHELD.”

The proposal to elect the nominee for director set forth herein requires the affirmative vote of a plurality of the shares present at the meeting in person or by proxy and entitled to vote. Shares voted “ABSTAIN” or “WITHHELD” are not counted as votes cast and, thus, will have no effect on the vote to elect the nominee for director. The proposals to approve compensation of our Named Executive Officers, to ratify the selection of BDO USA, LLP as our independent registered public accounting firm, and to approve an amendment and restatement of the Company’s 2010 Stock Incentive Plan (the “2010 Plan”) for the purpose of increasing the number of shares of common stock authorized for issuance under the 2010 Plan by 1,300,000 shares all require the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote. Thus, shares voted “ABSTAIN” or “WITHHELD” will have the same effect as votes AGAINST the approval of the three proposals.

If a stockholder holds shares in the name of a broker, bank or nominee (this is called “street name”), the broker, bank, or nominee will send to the stockholder a **BLUE** voting instruction form with this proxy statement. The SEC has approved a rule that changes the manner in which the stockholder’s vote in certain matters will be handled. The effect of these changes is that the broker, bank or nominee will no longer be permitted to vote on the stockholder’s behalf on certain matters that are not “routine,” such as on the proposals regarding the election of a director, the approval of executive compensation, or the approval of an increase of 1,300,000 shares of common stock authorized for issuance under the 2010 Plan, unless the stockholder provides specific instructions by completing and returning the **BLUE** voting instruction form (these uninstructed votes are termed “broker

non-votes”). If no potential proxy contest had been initiated, the proposal to ratify the appointment of independent registered public accounting firm would have been considered a routine matter and the broker, bank or nominee would have been allowed to vote the shares in street name, without receiving specific instructions from shareholders on how to vote the shares on that proposal. As a result of the potential proxy contest initiated by the Group, there will be no routine matters and therefore for votes of stockholders holding shares in street names to be counted, the stockholders will need to communicate their voting instructions to their brokerage firms before the date of the Annual Meeting. If such stockholders do not instruct the brokerage firm to vote in a timely manner, their shares will not be voted on these matters.

Broker non-votes are not treated as entitled to vote on these proposals and, therefore, are not counted for purposes of determining the number of votes cast with respect to these particular proposals. Accordingly, broker non-votes will not affect the outcome of the vote on these proposals. As a result of the potential proxy contest initiated by the Group, broker non-votes will not be counted for purposes of determining whether a quorum exists for the transaction of business.

Voting

Each share of common stock outstanding on the Record Date is entitled to one vote on all matters. Stockholders do not have cumulative voting rights.

When a **BLUE** proxy card is properly dated, executed and returned, the shares represented by such **BLUE** proxy card will be voted at the Annual Meeting in accordance with the instructions of the stockholder as set forth on the **BLUE** proxy card. If no specific instructions are given, the shares will be voted (1) “FOR” the election of the nominee for director set forth herein; (2) “FOR” the approval of the compensation of our Named Executive Officers as described under “Compensation Discussion and Analysis” below; (3) “FOR” the ratification of the selection of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012; (4) “FOR” the approval of an amendment and restatement of the Company’s 2010 Plan for the purpose of increasing the number of shares of common stock authorized for issuance under the 2010 Plan by 1,300,000 shares; and (5) at the discretion of the individuals designated as proxies on the **BLUE** proxy card on such other business as may properly come before the Annual Meeting or any adjournment thereof.

Attendance at the Annual Meeting

Attendance at the Annual Meeting will be limited to stockholders as of the Record Date. Each stockholder may be asked to present valid picture identification, such as a driver’s license or passport. Stockholders holding stock in brokerage accounts or by a bank or other nominee may be required to show a brokerage statement or account statement reflecting stock ownership as of the Record Date.

Householding of Proxy Materials

Some banks, brokers and other nominee record holders may be “householding” our proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to stockholders may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you call or write to us at our principal executive offices, 12117 Bee Caves Road, Building Three, Suite 100, Austin, Texas 78738, Attn: Investor Relations, telephone: (512) 519-0400. If you want to receive separate copies of the proxy statement or annual report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address and telephone number.

YOUR VOTE IS EXTREMELY IMPORTANT, NO MATTER HOW MANY OR HOW FEW SHARES YOU OWN. PLEASE SUPPORT YOUR CURRENT BOARD OF DIRECTORS BY SIGNING AND DATING THE ENCLOSED BLUE PROXY CARD AND RETURN IT TODAY IN THE ENCLOSED PRE-ADDRESSED POSTAGE-PAID ENVELOPE.

IMPORTANT: If your shares are held in the name of a brokerage firm, bank, nominee or other institution, only it can sign a proxy card with respect to your shares and only upon specific instructions from you. Please return the enclosed BLUE proxy card to your broker or bank and contact the person responsible for your account to ensure that a BLUE proxy card is voted on your behalf.

CERTAIN BACKGROUND INFORMATION

We are providing the following background discussion of the contacts between the Group and the Company for the benefit of our stockholders. As noted above, the Group—consisting of György B. Bessenyei, Gregory V. Novak and Robert S. Goggin—has filed a preliminary proxy statement with the SEC on April 20, 2012 (with amendments thereto filed on May 4, 2012, May 8, 2012, May 21, 2012, and May 23, 2012), and on December 12, 2012. This section outlines material discussions and contacts the Company has had with the Group from January 2011 to January 17, 2013.

The Company's first introduction to a member of the Group was in the form of an email sent by Mr. Goggin on January 26, 2011 in which he expressed his dissatisfaction with the Board and the Company's management. Due to the inflammatory and unserious tone and content of the email, the Company elected not to respond. On March 23, 2011, Mr. Goggin sent a letter to the Board requesting a special meeting of the Company's stockholders to consider Ms. Page's tenure as CEO, certain revisions to the Company's by-laws, and a removal of the Company's stockholder rights plan. The Board considered Mr. Goggin's requests, but did not find them to be in the best interest of the Company and all stockholders. The Company's legal counsel attempted to contact Mr. Goggin at his office telephone number multiple times, but was unsuccessful in reaching him and left messages.

On May 9, 2011, Mr. Goggin filed a complaint in the Court of Chancery of the State of Delaware (*Goggin v. Vermillion*, C.A. No. 6465 VCN), naming the Company and members of its Board as defendants. In the complaint, Mr. Goggin sought to enjoin the 2011 annual meeting of stockholders that was set to take place on June 6, 2011. On May 24, 2011, Mr. Goggin filed a motion for preliminary injunctive relief to enjoin the 2011 annual meeting of stockholders. On June 3, 2011, the Court of Chancery denied the motion, and the Company's 2011 annual meeting of stockholders was held on June 6, 2011. On June 29, 2011, Mr. Goggin filed a notice of voluntary dismissal, and the complaint was dismissed.

In December 2011, the Company became aware of certain public Internet postings made by Mr. Bessenyei, which made allegations regarding, among other things, the Company's billings and reimbursement rates and the behavior of members of the Company's management and Board to conceal such information from the Company's shareholders. In response to these inaccurate and irresponsible allegations, on December 22, 2011, the Company filed with the SEC a Current Report on Form 8-K to factually refute the allegations.

On March 1, 2012 and March 5, 2012, the Company received supplemental materials from the Group, including a copy of a press release filed by the Group on February 29, 2012, and books and records requests under state and federal law. The Company responded to and has since supplemented its responses to these books and records requests in compliance with applicable law.

Disappointed with the strategy being pursued by the Group and the dangerous sales predictions and valuation claims made publicly by the Group, on March 7, 2012 the Company filed Schedule 14A Information with the SEC noting that neither prior to nor contemporaneously with the Group's press release did Mr. Goggin or Mr. Novak contact the Company to introduce himself, to discuss his desire to be a member of the Board, or to share any suggestions that would benefit the Company and all stockholders.

On March 8, 2012, Mr. Bessenyei, on behalf of the Group, noted the Company's filing with the SEC on March 7, 2012 and requested a meeting with Ms. Page and other members of the Board for unspecified purposes. On March 16, 2012, Ms. Page sent a response letter to Mr. Goggin and Mr. Novak suggesting such a meeting, and subsequently the Group, Ms. Page and other employees of the Company exchanged e-mail communications to establish a mutually convenient meeting date, time and location.

On March 27, 2012, the Group attended a meeting hosted at the Company's headquarters in Austin, Texas by Ms. Page and Peter S. Roddy, a member of the Board and Chairman of the Board's Audit Committee. The meeting was cordial, and the Group's potential nominees and certain strategic suggestions for the Company were discussed, but the participants were unable to resolve their differences.

Mr. Novak and Ms. Page exchanged e-mails following the March 27, 2012 meeting to establish a time for a teleconference, which was set for May 1, 2012.

On April 30, 2012, the Company received supplemental materials from the Group, including a copy of the preliminary proxy statement filed by the Group with the SEC on April 20, 2012.

On May 1, 2012, Mr. Novak and Ms. Page, with the authorization of and at the direction of the Board, participated in the above-mentioned teleconference. The teleconference was cordial, and the Group's potential nominees, certain strategic suggestions for the Company, and alternatives to a potential proxy contest were discussed, but the participants were again unable to resolve their differences. Ms. Page informed Mr. Novak that the Board remains open to hearing the Group's ideas to benefit the Company and all stockholders and to working constructively with the Group, but believes that the director nominees then proposed by the Board were the most qualified candidates up for election at the Annual Meeting and that their appointment is in the best interest of the Company and all stockholders. In addition, in an effort to avoid a potential proxy contest and litigation, Ms. Page conveyed the Board's offer that the Board would nominate Mr. Novak to the open seat. To the Board's surprise, the Group rejected Ms. Page's offer. Mr. Novak appears to have subsequently been dropped from the Group.

On May 25, 2012, Mr. Bessenyei and Mr. Goggin filed a verified complaint in the Delaware Court of Chancery against the Company, each current member of the company's Board, and Gail S. Page. On June 1, 2012, the plaintiffs filed an amended verified complaint that contained the following causes of action: breach of fiduciary duty under two standards, declaratory relief, preliminary injunctive relief, and permanent injunctive relief. The allegations in the amended verified complaint challenged the adoption by the Board of an amendment to our bylaws eliminating the board seat formerly held by Ms. Page. As previously disclosed by the Company, on May 15, 2012, Ms. Page was terminated without cause as Vermillion's President and CEO, and, upon her termination, Ms. Page resigned her seat on the Board. For a variety of reasons, including an effort to streamline the Company's organization and extend its cash runway, the Board amended Vermillion's bylaws to eliminate the vacant board seat. Mr. Goggin and Mr. Bessenyei claimed that the Board's decision to eliminate the seat was a breach of its fiduciary duties, alleging that the Board's actions were intended both to prevent the Plaintiffs' potential nominees from being able to be elected to the Board, and to entrench the Board's current members. Among other things, they sought to have the court declare null and void the May 15, 2012 amendment to the bylaws, and award to the plaintiffs the costs and fees incurred by them in the action. **The active case prevented the Company from holding its 2012 annual meeting while the case was pending.**

On July 26, 2012, after the parties had engaged in discovery, Vermillion and the other defendants filed a motion to dismiss the case arguing that the plaintiffs and their counsel provided false notarizations verifying the complaint, amended complaint and discovery responses.

On November 16, 2012, the Delaware Court of Chancery dismissed the case with prejudice. The court found that Mr. Goggin and Mr. Bessenyei had participated in the improper notarization of court filings and, moreover, that the conduct of Mr. Goggin appeared to be a violation of the Pennsylvania rules of professional conduct applicable to Pennsylvania lawyers.

On November 28, 2012, Bruce Huebner together with Vermillion's investor relations representative reached out to Mr. Bessenyei and Mr. Goggin through a courtesy call to introduce Mr. Huebner as Vermillion's Interim Chief Executive Officer. Mr. Goggin immediately asked about settlement terms regarding the Group's potential proxy contest, to which Mr. Huebner commented that the purpose of this call was an introduction and business discussion, and that any settlement talks would have to happen during another call with attorneys present. A cordial discussion about the business ensued. Mr. Huebner agreed to follow up with a regional business broker referred by Mr. Bessenyei. This broker had a potential business opportunity that management concluded was not synergistic with Vermillion's business.

Vermillion's counsel was subsequently contacted by an attorney acting for Mr. Goggin and Mr. Bessenyei requesting that Vermillion reimburse fees and costs of Goggin and Bessenyei in the amount of approximately \$500,000 and allow the Group's potential nominee a unilateral right to approve any new CEO of Vermillion. Vermillion's counsel explained that under Delaware law, the Board of Directors could not give a non-director, or any single director, a unilateral right to veto a CEO candidate otherwise acceptable to the Board of Directors, and reported that such a large cost reimbursement request would be difficult for the Board to approve.

On December 26, 2012, Mr. Huebner called Mr. Bessenyei with feedback about the potential business opportunity discussed on November 28. Mr. Huebner also offered to nominate a mutually acceptable third party to the open Board seat. He communicated to Mr. Bessenyei that the Board would consider any candidate with relevant industry experience, and even suggested someone that Mr. Bessenyei had previously mentioned as a possibility. Mr. Bessenyei commented that he needed to contact the other members of the Group regarding this offer.

On December 28, 2012, Mr. Bessenyei called Mr. Huebner to inform him that the Company's offer was not acceptable to the Group and that they would stay on course to propose Mr. Goggin as their candidate. During the call, Mr. Bessenyei asked about the date for the annual meeting. Mr. Huebner commented that a date was not set as of yet but that the Company was very close to setting one. Mr. Bessenyei asked that he be contacted by the end of the first week following this call with any status update regarding the meeting. Mr. Huebner agreed to call him that week.

On January 4, 2013, Mr. Huebner called Mr. Bessenyei and informed him that there was not any additional information regarding the meeting date but again emphasized that the company was very close to finalizing the details in order set the date for the annual meeting. The discussion ended cordially.

PROPOSAL ONE: ELECTION OF DIRECTOR

Our Board of Directors currently consists of six directors, following the reduction in size authorized by the Board of Directors to eliminate the vacancy existing due to the resignation of Ms. Page. The directors are divided into three classes having staggered three-year terms, so that the term of one class expires at each annual meeting of stockholders. The term of the incumbent Class III director, John F. Hamilton, will expire at this Annual Meeting. John F. Hamilton is not nominated for re-election at this Annual Meeting. One nominee, Roberta L. Della Vedova, is proposed by our Board of Directors for election as a Class III director at this Annual Meeting, to hold office until the 2015 annual meeting and until her successor is duly elected and qualified. If the Board’s nominee is unable or declines to serve as director, the proxies will be voted for any substitute nominee who shall be designated by the Board. It is not expected that the Board’s nominee will be unable to or will decline to serve as director.

Class III Director Nominee to the Board:

Name	Age	Position with Vermillion
Roberta L. Della Vedova.....	59	None

Required Vote; Recommendation

The nominee receiving the highest number of affirmative votes of the outstanding shares of common stock, present or by proxy, will be elected as director so long as a quorum is present. Votes withheld from a particular nominee and broker non-votes will be counted for purposes of determining whether a quorum exists but, because directors are elected by a plurality vote, will have no impact on the vote with respect to that nominee.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF THE NOMINEE NAMED ABOVE. IF YOU SIGN AND RETURN THE ENCLOSED BLUE PROXY CARD, UNLESS YOU DIRECT TO THE CONTRARY ON THAT CARD, THE SHARES REPRESENTED BY THAT BLUE PROXY CARD WILL BE VOTED “FOR” THE ELECTION OF THE NOMINEE LISTED ABOVE.

We believe that the director nominee proposed by the Board, Roberta L. Della Vedova, is the most qualified candidate up for election at the Annual Meeting as she has the requisite management experience in clinical diagnostics. Ms. Vedova was approved by the Nominating and Governance Committee and the independent members of the Board. Ms. Vedova brings a broad range of relevant industry experience to the Board, having previously provided direction and oversight to companies engaged in the development, manufacture, and marketing of bioreagents and instruments, as well as in the delivery of laboratory services for cancer diagnostics.

Please note that the Group – who beneficially own approximately 1.6% of the Company’s common stock in the aggregate –has filed preliminary proxy statements with the SEC on April 20, 2012 (with amendments thereto filed on May 4, 2012, May 8, 2012, May 21, 2012, and May 23, 2012), and December 12, 2012. The Board urges you to vote FOR our nominee for director on the attached BLUE proxy card. The Board also urges you NOT to sign or return any proxy card sent to you by or on behalf of the Group.**

Even if you have previously signed a proxy card sent by or on behalf of the Group, you have the right to change your vote. INFORMATION REGARDING THE BOARD OF DIRECTORS, COMMITTEES, AND CORPORATE GOVERNANCE

Biographical Information of Our Directors

Our Board of Directors currently consists of six directors, following the reduction in size authorized by the Board of Directors to eliminate the vacancy due to the resignation of Ms. Page. The directors are divided into three classes having staggered three-year terms, so that the term of one class expires at each annual meeting of stockholders. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of an equal number of directors. The classes are currently comprised as follows:

- *Class I directors.* Bruce A. Huebner and William C. Wallen, Ph.D. are Class I directors, whose terms will expire at the next annual meeting following this one;
- *Class II directors.* James S. Burns, Peter S. Roddy and Carl Severinghaus are Class II directors, whose terms will expire at the 2014 annual meeting; and
- *Class III director and nominee.* John F. Hamilton is a Class III director, whose term will expire upon the election of a new Class III director at this Annual Meeting. John F. Hamilton is not nominated for re-election at this Annual Meeting and the Board has nominated Roberta L. Della Vedova as the Class III director to fill the board seat currently held by John F. Hamilton.

She also has a lifetime certification as a Senior Professional in Human Resources and is a certified instructor of Zenger-Miller Frontline Leadership.

The Board of Directors believes that Ms. Vedova is qualified to serve as our director as an independent investor representative because she brings a broad range of relevant industry experience to the Board, having previously provided direction and oversight to companies engaged in the development, manufacture, and marketing of bioreagents and instruments, as well as in the delivery of laboratory services for cancer diagnostics.

On December 2, 2011, a class action complaint claiming violations of certain securities laws was filed against Pain Therapeutics and its executive officers, including Mr. Roddy, in the U.S. District Court for the Western District of Texas by a holder of its securities and its executive officers. This complaint alleged, among other things, violations of Section 10(b), Rule 10b-5, and Section 20(a) of the Exchange Act arising out of allegedly untrue or misleading statements of material facts made by Pain Therapeutics regarding REMOXY during the purported class period from February 3, 2011 to June 23, 2011.

Carl Severinghaus, age 60, was appointed to our Board of Directors on March 3, 2010 and serves as our Compensation Committee Chairman. Independence of the Board of Directors and Nominee

After a review of all relevant transactions or relationships between each director and our recommended nominee for election, or any of his family members, on the one hand, and the Company, our senior management and its independent registered public accounting firm, on the other hand, the Board has affirmatively determined that our recommended nominee for election, and all of our directors other than Mr. Huebner (by virtue of his recent appointment as our Interim Chief Executive Officer) are, or, in the case of our recommended nominee, would be if elected, independent directors, as the term is currently defined under NASDAQ Listing Rule 5605(a)(2).

Board Leadership Structure

The Board has chosen to separate the roles of Chief Executive Officer and Chairman of the Board. This situation enables our Interim Chief Executive Officer, Mr. Huebner, to focus on the day-to-day operation of our business while allowing Mr. Burns, our Chairman of the Board, to focus on leadership of the Board. The Board believes that its current leadership structure best serves the objectives of the Board's oversight of management, the ability of the Board to carry out its roles and responsibilities on behalf of the stockholders, and the Company's overall corporate governance.

Role of the Board in Risk Oversight

The Board is involved in oversight of risks that could affect us. This oversight is conducted primarily through committees of the Board, and particularly the Audit Committee and Nominating and Governance Committee, but the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Meetings of the Board of Directors

Our Board establishes overall policies and standards and reviews the performance of management. During the fiscal year ended December 31, 2011, the Board held twelve meetings and took action by unanimous written consent on four occasions. Each Board member attended 75% or more of the aggregate meetings of the Board, on which he or she served, held during the period for which he or she was a director. Applicable NASDAQ listing standards require that the independent directors meet from time to time in executive session. In 2011, our independent directors met in regularly scheduled executive sessions at which only independent directors were present. It is our policy to request that all Board members attend the annual meeting of stockholders. We held an annual meeting of stockholders on June 6, 2011.

Audit Committee

The Audit Committee of the Board was established by the Board to oversee our corporate accounting and financial reporting processes, systems of internal control over financial reporting and the quality and integrity of our financial statements and reports. In addition, the Audit Committee oversees the qualification, independence and performance of our independent registered public accounting firm. The Audit Committee also recommends to the Board the appointment of our independent registered public accounting firm.

The Audit Committee is currently composed of three directors: Mr. Roddy, Chairman, Dr. Wallen and Mr. Severinghaus. The Audit Committee is governed by a written Audit Committee Charter adopted by the Board. The Audit Committee charter can be found in the Investor Relations section of our website at <http://www.vermillion.com>. In fiscal year 2011, the Audit Committee met four times.

The Board has determined that all members of our Audit Committee are independent, as the term is currently defined in NASDAQ Listing Rules 5605(a)(2). The Board has determined that Mr. Roddy qualifies as an “audit committee financial expert,” as defined in applicable rules. The Board made a qualitative assessment of Mr. Roddy’s level of knowledge and experience based on a number of factors, including his experience as the chief financial officer of several companies.

Compensation Committee

The Compensation Committee of the Board acts on behalf of the Board to review, adopt and oversee our compensation strategy, policies, plans and programs. The Compensation Committee reviews and recommends to the Board for approval the compensation (*i.e.*, salary, bonus and stock-based compensation grants) and other terms of employment or service of our Chief Executive Officer and other executive officers, reviews with management our Compensation Discussion and Analysis for inclusion in our proxy statements and other SEC filings, and administers our 2010 Stock Incentive Plan. The Compensation Committee has the authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant’s reasonable fees and other retention terms.

Our executive officers recommend to the Compensation Committee of the Board business performance targets and objectives and provide background information about the underlying strategic objectives. Our Chief Executive Officer generally makes recommendations to the Compensation Committee regarding salary increases for other executive officers during the regular merit increase process. Our executive officers are not present or involved in deliberations concerning their own compensation.

The Compensation Committee is currently composed of two directors: Mr. Severinghaus, Chairman and Dr. Wallen. The Board has determined that both members of our Compensation Committee are independent pursuant to NASDAQ Listing Rule 5605(a)(2). The Compensation Committee has adopted a written charter that can be found in the Investor Relations section of our website at <http://www.vermillion.com>. The Compensation Committee met four times in 2011.

The performance and compensation process and specific determinations of the Compensation Committee with respect to executive compensation for 2011 are described in greater detail in the Compensation Discussion and Analysis section of this proxy statement.

Nominating and Governance Committee

Our Nominating and Governance Committee currently consists of Dr. Wallen, Chairman and Mr. Severinghaus. The Nominating and Governance Committee met two times in 2011.

The Nominating and Governance Committee is responsible for identifying individuals qualified to serve as members of the Board, recommending to the independent members of the Board nominees for election as our directors, and providing oversight with respect to corporate governance and ethical conduct. The Board has determined that all the members of the Nominating and Governance Committee are “independent directors” as currently defined in NASDAQ Listing Rule 5605(a)(2). Our director nomination process meets applicable NASDAQ requirements because our director nominees are selected by the independent members of the Board. The Nominating and Governance Committee has adopted a written charter that can be found in the Investor Relations section of our website at <http://www.vermillion.com>.

The information below describes the criteria and process that the Nominating and Governance Committee uses to evaluate candidates to the Board.

Board Membership Criteria

The Nominating and Governance Committee is responsible for assessing the appropriate balance of experience, skills and characteristics required of the Board. Nominees for director are selected on the basis of depth and breadth of experience, knowledge, integrity, ability to make independent analytical inquiries, understanding of our business environment, the willingness to devote adequate time to Board duties, the interplay of the candidate's experience and skills with those of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any Committees of the Board. Although there is no specific policy regarding diversity in identifying director nominees, both the Nominating and Governance Committee and the Board seek the talents and backgrounds that would be most helpful to us in selecting director nominees. In particular, the Nominating and Governance Committee, when recommending director candidates to the full Board for nomination, may consider whether a director candidate, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.

Process for Identifying and Evaluating Nominees

The Nominating and Governance Committee initiates the process for identifying and evaluating nominees to the Board by identifying a slate of candidates who meet the criteria for selection as nominees and have the specific qualities or skills being sought based on input from members of the Board, management and, if the Nominating and Governance Committee deems appropriate, a third-party search firm. Candidates are evaluated by the Nominating and Governance Committee on the basis of the factors described above under "Board Membership Criteria." With respect to candidates for initial election to the Board, the Nominating and Governance Committee also reviews biographical information and qualifications and checks the candidates' references. Qualified candidates are interviewed by at least one member of the Nominating and Governance Committee. Serious candidates meet, either in person or by telephone, with all members of the Nominating and Governance Committee and as many other members of the Board as practicable.

Using the input from interviews and other information obtained, the Nominating and Governance Committee evaluates which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the independent members of the Board that the Board nominate, or elect to fill a vacancy with, a prospective candidate. Candidates recommended by the Nominating and Governance Committee are presented to the independent members of the Board for selection as nominees to be presented for the approval of the stockholders or for election to fill a vacancy. The Nominating and Governance Committee expects that a similar process will be used to evaluate nominees recommended by stockholders.

Nominee to the Board of Directors for the Annual Meeting

Roberta L. Della Vedova, a Class III director nominee for the Annual Meeting, was recommended for selection by the Nominating and Governance Committee and was approved by the Nominating and Governance Committee and the independent members of the Board.

Code of Ethics

We have adopted the Vermillion, Inc. Code of Ethics that applies to all our officers, directors and employees. The Code of Ethics is available under the Investor Relations section of our website at <http://www.vermillion.com>. We will disclose on our website any waiver of, or amendment to, the Code of Ethics.

Stockholder Communications

Our stockholders may communicate directly with the Board of Directors in writing, addressed to:

Board of Directors
c/o Corporate Secretary
Vermillion, Inc.
12117 Bee Caves Road, Building Three, Suite 100
Austin, Texas 78738

The Corporate Secretary will review each stockholder communication. The Corporate Secretary will forward to the entire Board (or to members of a committee thereof, if the communication relates to a subject matter clearly within that committee's area of responsibility) each communication that (a) relates to our business or governance, (b) is not offensive and is legible in form and reasonably understandable in content, and (c) does not merely relate to a personal grievance against us, a director, a member of the management, or other employees of us, or to further a personal interest not shared by the other stockholders generally.

COMPENSATION OF DIRECTORS

Director Compensation

Outside directors (*i.e.*, non-employee directors) are compensated for their service as (1) a member of the Board of Directors, (2) a member of any committee of the Board of Directors, and (3) a chair of any committee of the Board of Directors. For 2011, we adopted a compensation program granting restricted stock units (“RSUs”) to outside directors with a targeted value on the grant date. The number of RSUs granted is determined by dividing the targeted value by a trailing average price of our common stock on the date of grant of the RSUs. 50% of the RSUs granted to directors vested on June 1, 2011, and 25% of the RSUs vested on each of September 1, 2011 and December 1, 2011, except that 100% of the RSUs granted to Bruce A Huebner vested on December 1, 2011 due to the fact that he joined the Board in May 2011. Outside directors did not receive any cash compensation in connection with their services as directors, nor did they sell any RSUs, except that historically certain RSUs were sold by certain directors only for the purpose of covering their tax liability incurred in connection with the distribution of the RSUs. Periodically, the Compensation Committee reviews and determines the adequacy of the compensation program for outside directors, and based upon the results of their analysis, the Compensation Committee will make recommendations in regards to the compensation program for outside directors to the Board of Directors. During fiscal year 2011, the outside directors were compensated as follows, with the RSU awards being made as of March 22, 2011 based on a grant date value of \$3.95 per RSU:

- each outside director received 15,200 RSUs;
- the chairperson of the Audit Committee received 3,000 RSUs;
- the chairperson of the Compensation Committee received 2,300 RSUs;
- the chairperson of the Nominating and Governance Committee received 1,500 RSUs;
- the other members of the Compensation Committee each received 1,000 RSUs; and
- the other members of the Audit Committee each received 1,500 RSUs.

The compensation earned by our outside directors for the year ended December 31, 2011 was as follows:

Compensation Philosophy and Objectives

The goal of our compensation program for our Named Executive Officers is the same as for the overall Company, which is to foster compensation policies and practices that attract, engage and motivate high caliber talent by offering compensation in a competitive range. We are committed to a total compensation philosophy and structure that provides flexibility in responding to market factors; rewards and recognizes superior performance; attracts highly skilled, experienced and capable employees; and is fair and fiscally responsible.

The Compensation Committee has designed and implemented compensation programs for Named Executive Officers to reward them for sustaining our financial and operating performance and leadership excellence, to align their interests with those of our stockholders and to encourage them to remain with us for long and productive careers. Because bonus and equity compensation play a key role in aligning our executives' interests with our stockholders' interests, annual incentives and equity incentives constitute an essential portion of the Named Executive Officer compensation. However, most of our compensation elements simultaneously fulfill one or more performance, alignment and/or retention objectives.

Base salary and annual bonus are designed to reward annual achievements and be commensurate with the executive's scope of responsibilities, demonstrated leadership abilities, and management experience and effectiveness. Our other elements of compensation focus on motivating and challenging the executive to achieve superior, longer-term, sustained results.

In establishing compensation for the Named Executive Officers, the following are the Compensation Committee's objectives:

- Attract, retain, reward and motivate high performing executive talent;
- Ensure senior officer compensation is aligned with our corporate strategies, business objectives and the long-term interests of our stockholders;
- Increase the incentive to achieve key strategic, financial and operational performance measures by linking incentive award opportunities to the achievement of performance goals in these areas;
- Ensure that the elements of compensation, individually and in the aggregate, do not encourage excessive risk-taking; and
- Enhance the officers' incentive to increase the Company's long term value, as well as promote retention of key people, by providing a portion of total compensation opportunities for senior management in the form of direct ownership in the Company through stock ownership.

The Compensation Committee reviews all components of the Named Executive Officers' compensation, including annual base salary, bonuses based on corporate and individual performance, and equity compensation, perquisites and termination-based compensation. For equity incentive compensation, which includes grants of RSUs and stock options, the Compensation Committee reviews accumulated realized and unrealized stock options and RSU gains. The Compensation Committee also reviews the dollar value to the executive and cost to the Company of all perquisites, as well as the actual and projected payout obligations under several potential

severance and change in control scenarios. In addition, from time to time, the Compensation Committee may hire compensation and benefits consultants to assist in developing and reviewing overall executive compensation strategies. The Compensation Committee also receives input from the Chief Executive Officer regarding the compensation of all executives other than the Chief Executive Officer.

On June 6, 2011, we held a stockholder advisory vote on the compensation of our named executive officers, commonly referred to as a say-on-pay vote. Our stockholders approved the compensation of our named executive officers. As we evaluated our compensation practices and talent needs throughout fiscal year 2011, we were mindful of the strong support our stockholders expressed for our philosophy of linking compensation to our operating objectives and the enhancement of stockholder value. As a result, our compensation committee decided to retain our general approach to executive compensation.

Compensation Components

Our executive compensation program is designed to attract executives with the requisite skills necessary to support our strategic objectives, to reward executives for the achievement of near-term and long-term objectives, and to retain executives by aligning compensation with the longer-term creation of stockholder value, by developing a sustainable business with consistent performance.

Our compensation program is comprised of the following components for the Named Executive Officers:

- Base Salaries;
- Annual Incentive Bonus;
- Equity Incentives;
- Employment Agreements providing for severance and change in control benefits; and
- Certain perquisites as well as 401(k) plan, health and welfare plan benefits.

The Compensation Committee believes that these elements of compensation, when combined, are effective, and will continue to be effective, in achieving the overall objectives of our compensation program.

Base Salaries. Executive salaries are determined based on the data from our comparator group, on evaluation of each officer's individual performance throughout the year, level of responsibility, overall salary structure, budget guidelines and assessment of our financial condition. This approach ensures that our cost structure will allow us to remain competitive in the markets. Salaries paid to the Named Executive Officers in fiscal 2011 were within the targeted range. The Compensation Committee normally reviews and adjusts as appropriate the base salaries for the Named Executive Officers in the first half of each calendar year. For fiscal year 2011, **no adjustment of base salary** was made to our existing Named Executive Officers.

Annual Bonuses. Consistent with our objectives to tie a significant portion of the Named Executive Officers' total compensation to our performance, all Named Executive Officers have a target bonus of a fixed percentage of their salary. At the beginning of each fiscal year, the Compensation Committee establishes performance measures and goals, which typically include milestones and targets. The Compensation Committee typically assigns a weight value based upon the overall goals in order to ensure a balanced approach to the various factors applied to determining bonus amounts. For fiscal year 2011, these goals, milestones and targets focused primarily on the following:

- Continued commercialization of OVA1 and increasing test volume;
- Advancing our pipeline;
- Broadening reimbursement coverage for OVA1;

- Cash usage and maintaining a strong cash position; and
- Successful completion of a financing event.

Also, at the beginning of each fiscal year, the Compensation Committee establishes bonus payout targets for each Named Executive Officer. The Compensation Committee generally establishes the individual payout targets for each Named Executive Officer based on the executive's position, level of responsibility and a review of the compensation information of other companies. For 2011, the payout targets for each Named Executive Officer were as follows:

Gail S. Page	50% of annual base salary
Sandra A. Gardiner	40% of annual base salary
Eric T. Fung, M.D., Ph.D.	50% of annual base salary
William Creech	40% of annual base salary
Ashish Kohli, CFA	40% of annual base salary

After the close of each fiscal year, or other such timeframe as determined by the Compensation Committee, the Compensation Committee assesses the performance of each Named Executive Officer against the pre-established metrics. Each Named Executive Officer receives a bonus based on his or her individual payout target and our performance relative to the specific performance goal.

In its evaluation of performance for fiscal year 2011, the Compensation Committee considered the following goals, milestones and targets: (i) Continued commercialization of OVA1 and increasing test volume; (ii) Advancing our pipeline; (iii) Broadening reimbursement coverage for OVA1; (iv) Cash usage and maintaining a strong cash position; and (v) Successful completion of a financing event. As a result of this evaluation, the Compensation Committee determined that the targets for the fiscal year 2011 had substantially been met. Nevertheless, as a cost saving measure and to preserve cash, the Compensation Committee decided that it was in the best interest of the Company to reduce each named executive officer's actual bonus payout amount by 70% of the bonus target amount, resulting in the following payouts to each Named Executive Officer employed by us during such period, and pro-rated for their respective duration of employment:

Gail S. Page	\$57,750
William Creech	\$27,000
Ashish Kohli	\$28,800

Ms. Gardiner and Dr. Fung resigned in 2011 and as such were not entitled to any bonus payments in 2011.

When setting annual bonus targets for 2012, the Compensation Committee opted not to increase any of our executive officers' targets. However, in connection with Mr. Schoen's promotion to Chief Accounting Officer in October 2011, Mr. Schoen's target bonus was increased from 10% of his annual salary to 30% of his annual salary, effective January 1, 2012.

Equity Incentive Compensation. The equity component of our executive compensation program is designed to fulfill our performance alignment and retention objectives. We previously maintained the Vermillion, Inc. 2000 Stock Plan (the "2000 Stock Plan"), which expired in 2010. We will make future equity awards under the 2010 Plan, which was approved by the Board of Directors on February 8, 2010 and by the stockholders on December 3, 2010. The 2010 Plan will be administered by the Compensation Committee of the Board. Our employees, directors, and consultants are eligible to receive awards under the 2010 Plan. The 2010 Plan permits

the granting of a variety of awards, including stock options, share appreciation rights, restricted shares, restricted share units, unrestricted shares, deferred share units, performance and cash-settled awards, and dividend equivalent rights. The 2010 Plan provides for issuance of up to 1,322,983 shares of common stock, subject to adjustment as provided in the 2010 Plan.

The 2010 Plan generally authorizes us to make awards reserving the following recourse against a participant who does not comply with certain employment-related covenants, either during employment or for certain periods after ceasing to be employed: we may terminate any outstanding, unexercised, unexpired, unpaid, or deferred awards; rescind any exercise, payment or delivery pursuant to the award; or recapture any shares (whether restricted or unrestricted) or proceeds from the participant's sale of shares issued pursuant to the award. These remedies are also generally available to us for awards that would have had a lower grant level, vesting, or payment if a participant's fraud or misconduct had not caused or partially caused the need for a material financial restatement by us or any affiliate. In addition, all awards or proceeds from the sale of awards made or earned pursuant to the 2010 Plan will be subject to the right of us to full recovery (with reasonable interest thereon) in the event that the Board of Directors determines reasonably and in good faith that any participant's fraud or misconduct has caused or partially caused the need for a material restatement of our financial statements for any fiscal year to which the award relates.

In general, the Named Executive Officers receive incentive stock option grants at the time of hire; annually thereafter, they receive additional stock option grants or RSUs, as recommended by the Compensation Committee. Stock option grants and RSUs are based on individual performance and contributions toward the achievement of our business objectives, as well as overall Company performance. The number of underlying shares that may be purchased pursuant to the stock options granted to each Named Executive Officer varies based on the executive's position and responsibilities. In addition, amounts are determined by comparing the level of equity-based compensation that is awarded to executives of competing companies.

The grants of stock-based awards to Named Executive Officers during the year ended December 31, 2011 were as follows:

<u>Name</u>	<u>Restricted Stock Awards: Number of Shares of Stock or Units</u>	<u>All Other Option Awards: Number of Securities Underlying Options</u>
Gail S. Page	85,000	—
Sandra A. Gardiner	24,000	—
Eric T. Fung, M.D., Ph.D.	41,000	—
William Creech	20,000	—
Ashish Kohli, CFA	7,000	—

On March 22, 2012, the Compensation Committee granted stock options in lieu of RSUs to executive officers. Certain of such stock options granted to executive officers are subject to a vesting schedule of equal vesting over the next 36 months, starting from March 22, 2012. The rest of such options granted to executive officers are subject to a vesting schedule of 100% vesting on March 31, 2013. In addition, the Compensation Committee granted stock options to the interim Chief Executive Officer on November 26, 2012 which are subject to monthly vesting over a one-year period. Such option awards were granted to executive officers as an incentive to create long-term stockholder value and as a retention tool.

Employee Benefits Programs. Our employee benefits program primarily consists of two components: (1) severance and change in control arrangements and (2) perquisites and other benefits.

Severance and Change in Control Arrangements. The Compensation Committee believes that executive officers have a greater risk of job loss or modification as a result of a change in control transaction than other employees. Accordingly, our employment agreement with Ms. Page as Chief Executive Officer included change of control provisions, and we have also entered into change in control agreements with our Chief Financial

Officer and Chief Science Officer under which they will receive certain payments and benefits upon qualifying terminations that follow a change in control. Our employment agreement with Mr. Huebner as Interim Chief Executive Officer does not contain change of control provisions other than the acceleration of vesting of his stock option grant. The principal purpose of the change in control agreements is to provide executive officers with appropriate incentives to remain with us before, during and after any change in control transaction by providing the executive officers with security in the event their employment is terminated or materially changed following a change in control. By providing this type of security, the change in control agreements help ensure that the executive officers support any potential change in control transaction that may be in the best interests of our stockholders, even while the transaction may create uncertainty in the executive officer's personal employment situation. The Compensation Committee believes that the payment of salary and benefits for one year for Ms. Page as Chief Executive Officer, nine months for the Chief Science Officer and six months for the Chief Financial Officer is reasonable and appropriate to achieve the desired objectives of the agreements. In April 2012, we also entered into employment agreements with our Chief Accounting Officer and our Vice President of Sales and Marketing and pursuant to the terms of the agreements, our Chief Accounting Officer and Vice President of Sales and Marketing will each receive nine months of their respective salary upon qualifying terminations that follow a change of control.

Perquisites and Other Benefits. Our Named Executive Officers participate in our standard employee benefits programs including medical, dental, life, short-term and long-term disability insurance, 401(k) Plan and flexible spending accounts.

Method for Determining Compensation Amounts

In deciding on the type and amount of compensation for each executive, the Compensation Committee seeks to align the interests of the Named Executive Officers with those of our stockholders. In making compensation decisions, the Compensation Committee reviews the performance of the company and carefully evaluates an executive's performance during the year against established goals, leadership qualities, operational performance, business responsibilities, career with the company, current compensation arrangements and long-term potential to enhance shareowner value. The types and relative importance of specific financial and other business objectives vary among our Named Executive Officers depending on their positions and the particular operations or functions for which they are responsible. The Compensation Committee does not adhere to rigid formulas when determining the amount and mix of compensation elements. Compensation elements for each executive are reviewed in a manner that optimizes the executive's contribution to the Company, and reflects an evaluation of the compensation paid by our competitors.

The Compensation Committee reviews both current pay and the opportunity for future compensation to achieve an appropriate mix between equity incentive awards and cash payments in order to meet our objectives. However, prior stock compensation gains are not considered in setting future compensation levels. The mix of compensation elements is designed to reward recent results and motivate long-term performance through a combination of cash and equity incentive awards.

The Compensation Committee has primary responsibility for assisting the Board of Directors in developing and evaluating potential candidates for executive positions, including the Chief Executive Officer, or CEO. As part of this responsibility, the Committee oversees the design, development and implementation of the compensation program for the CEO and the other Named Executive Officers. The Compensation Committee evaluates the performance of the CEO and determines CEO compensation in light of the goals and objectives of the compensation program. The CEO and the Compensation Committee assess the performance of the other Named Executive Officers and determine their compensation, based on initial recommendations from the CEO.

The Compensation Committee approves stock option grants for Named Executive Officers at the time of hire, and thereafter, the Compensation Committee annually reviews and approves stock option or RSU grants. Stock option and RSU grants are based on individual performance and contributions toward the achievement of our business objectives, as well as overall Company performance. Amounts are determined by comparing the

level of equity-based compensation awarded to executives of competing companies, along with consideration for attracting, retaining and motivating the executive officers. The stock option and RSU grants made under the 2010 Plan have provisions allowing us to recoup awards if we are required to restate corporate financial statements.

Compensation Policies and Practices Regarding Risk Management

In fulfilling its role in assisting the Board in its risk oversight responsibilities, the Compensation Committee believes that our compensation policies and practices do not motivate imprudent risk taking. Specifically, the Compensation Committee reviewed the following features of our compensation programs that guard against excessive risk-taking:

- our annual incentive compensation is based on balanced performance metrics that promote disciplined progress towards longer-term Company goals;
- we do not offer significant short-term incentives that might drive high-risk investments at the expense of long-term Company value; and
- our compensation awards are capped at reasonable and sustainable levels, as determined by a review of the economic position and prospects, as well as the compensation offered by comparable companies.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code (the “Code”) disallows a tax deduction to publicly-held companies for certain compensation in excess of \$1,000,000 paid to our chief executive officer and three other officers (other than the chief financial officer) whose compensation is required to be reported to our stockholders pursuant to the Exchange Act. Certain performance-based compensation approved by our stockholders, including option grants under the 2010 Plan, generally is not subject to the deduction limit. It is the Compensation Committee’s policy to maximize the effectiveness of our executive compensation in this regard.

We have granted stock options as incentive stock options in accordance with Section 422 of the Code subject to the volume limitations contained in the Code. Generally, the exercise of an incentive stock option does not trigger any recognition of income or gain to the holder. If the stock is held until at least one year after the date of exercise (or two years from the date the option is granted, whichever is later), all of the gain on the sale of the stock, when recognized for income tax purposes, will be capital gain, rather than ordinary income, to the recipient. Consequently, we do not receive a tax deduction. For stock options that do not qualify as incentive stock options, we are entitled to a tax deduction in the year in which the stock options are exercised equal to the spread between the exercise price and the fair market value of the stock for which the stock option was exercised. The holders of the non-qualified stock options are generally taxed on this same amount in the year of exercise.

Named Executive Officer Compensation

President and Chief Executive Officer. On December 31, 2005, we entered into an employment agreement with Ms. Page as our President and Chief Executive Officer. Under the terms of her original employment agreement, Ms. Page had an initial base salary of \$350,000, as adjusted by the Board of Directors from time to time; was eligible for a bonus of up to 50% of her base salary that is based on the achievement of reasonable performance-related goals as determined by the Board of Directors; had an initial option grant to purchase 40,000 shares of our common stock at \$9.00 per share; and had an annual car allowance of \$10,000. On November 18, 2008, Ms. Page’s employment agreement was amended and restated to reflect an annual base salary of \$364,000 and to comply with (or be exempted from) the applicable requirements of Section 409A of the Code. Ms. Page’s employment with us was for an unspecified duration and constituted “at-will” employment. At the option of either Ms. Page or us, with or without notice, the employment relationship may be terminated at any time, with or without cause (as defined in the employment agreement) or for any or no cause. If we terminate Ms. Page’s

employment for reasons other than for cause, or if Ms. Page terminates her employment for good reason (as defined in the employment agreement), Ms. Page, upon executing a release of claims in favor of us will be entitled to receive (i) continued payment of base salary for a period of 12 months, (ii) immediate vesting of 24-months of any options previously granted by us in addition to a 24-month period after termination to exercise any or all of her vested options to purchase our common stock; and (iii) continued health and dental benefits paid by us until the earlier of 12 months after termination or the time that Ms. Page obtains employment with reasonably comparable or better health and dental benefits. Additionally, if Ms. Page's employment is terminated by us for reasons other than for cause or by her for good reason within the 12-month period following a change in control (as defined in the employment agreement), Ms. Page will receive (i) continued payment of base salary for a period of 12 months, (ii) immediate 100% vesting of any then unvested options previously granted by us in addition to a period after termination at the discretion of us to exercise any or all of her vested options to purchase our common stock; and (iii) continued health and dental benefits paid by us until the earlier of 12 months after termination or the time that Ms. Page obtains employment with reasonably comparable or better health and dental benefits. Ms. Page's employment agreement also contains a "non-solicitation" clause, which provides that, in the event that Ms. Page's employment is terminated, she is prohibited from directly or indirectly soliciting or encouraging any employee or contractor of us or our affiliates to terminate employment with or cease providing services to us or our affiliates; and prohibited from soliciting or interfering with any person engaged by us as a collaborator, partner, licensor, licensee, vendor, supplier, customer or client to our detriment. On September 28, 2010, Ms. Page's employment agreement was further amended and restated to increase her annual base salary from \$364,000 to \$385,000.

On May 15, 2012, we announced the mutually agreed termination without cause of Ms. Page as our President and Chief Executive Officer, which was effective as of December 2, 2012, after we entered into an employment agreement with a successor Chief Executive Officer. Due to her mutually agreed termination without cause, pursuant to the terms of her employment agreement and a separation agreement, Ms. Page received (i) a payment equivalent to 12 months of base salary, (ii) upon the effective date of termination, immediate vesting of 24-months of any options and RSUs previously granted by us in addition to a 24-month period after termination to exercise any or all of her vested options to purchase our common stock; and (iii) continued health and dental benefits paid by us until the earlier of 12 months after the effective date of termination or the time that Ms. Page obtains employment with reasonably comparable or better health and dental benefits.

Interim President and Chief Executive Officer. On November 26, 2012, we entered into an employment agreement with Mr. Huebner as our Interim President and Chief Executive officer. Pursuant to the terms of the employment agreement, we will pay Mr. Huebner an annual base salary of \$252,000. We will also pay Mr. Huebner a bonus of \$50,000 upon completion of his employment term, which term shall be from November 26, 2012 through the earlier of (i) November 26, 2013, (ii) the Company's hiring of a permanent Chief Executive Officer, or (iii) such other date as determined by the Board. On November 26, 2012, the Board granted Mr. Huebner an option to purchase 100,000 shares of the Company's common stock. The shares subject to the option will vest monthly over a twelve (12) month period, provided that 100% of the shares subject to the option will vest immediately upon a change in control of the Company or the Company's hiring of a permanent chief executive officer, subject in each case to his continuing employment with the Company. Mr. Huebner will also be eligible for performance-based stock option grants based on achieving milestones approved by the Board.

Vice President and Chief Financial Officer. On April 19, 2010, we entered into an employment agreement with Ms. Gardiner as our Vice President and Chief Financial Officer. Pursuant to the terms of the employment agreement, we paid Ms. Gardiner an annual salary of \$240,000. She was eligible for a bonus of up to 40% of her base salary for achievement of reasonable performance-related goals defined by our Chief Executive Officer or the Board of Directors. In the event Ms. Gardiner was terminated without cause or resigned for good reason (as defined in the employment agreement), she would have been entitled to receive (i) continued payment of base salary for a period of 6 months, (ii) immediate vesting of 24-months of any options previously granted by us in addition to a 24-month period after termination to exercise any or all of her vested options to purchase our common stock; and (iii) continued health and dental benefits paid by the Company until the earlier of 6 month

after termination or the time that Ms. Gardiner obtains employment with reasonably comparable or better health and dental benefits. Additionally, if Ms. Gardiner's employment had been terminated without cause or if she resigned for good reason within the 12-month period following a change in control (as defined in the employment agreement), then, in addition to the three severance obligations due to Ms. Gardiner as described above, 50% of any then-unvested options previously granted by us to Ms. Gardiner would have vested upon the date of such termination, and the period of time for their exercise would have been at our discretion.

On October 5, 2011, Ms. Gardiner announced her resignation as our Vice President and Chief Financial Officer, effective October 21, 2011. Due to her resignation, all of her stock options have expired and no severance amounts became due to Ms. Gardiner pursuant to her employment agreement.

Senior Vice President and Chief Science Officer. On September 28, 2010, we entered into an employment agreement with Dr. Fung as our Senior Vice President, Chief Science Officer. Pursuant to the terms of the employment agreement, we paid Dr. Fung an annual salary of \$275,000. He was eligible for a bonus of up to 50% of his base salary for achievement of reasonable performance-related goals defined by our Chief Executive Officer or the Board of Directors. In the event Dr. Fung was terminated without cause or resigned for good reason (as defined in the employment agreement), he would have been entitled to receive (i) continued payment of base salary for a period of 9 months, (ii) immediate vesting of 24-months of any options previously granted by us in addition to a 24-month period after termination to exercise any or all of his vested options to purchase our common stock; and (iii) continued health and dental benefits paid by us until the earlier of 9 months after termination or the time that Dr. Fung obtained employment with reasonably comparable or better health and dental benefits. Additionally, if Dr. Fung's employment had been terminated without cause or if he resigned for good reason within the 12-month period following a change in control (as defined in the employment agreement), then, in addition to the three severance obligations due to Dr. Fung as described above, 50% of any then-unvested options previously granted us to Dr. Fung would have vested upon the date of such termination, and the period of time for their exercise would have been at our discretion.

On November 2, 2011, we entered into a consulting agreement with Dr. Fung, effective on November 4, 2011. Pursuant to the terms of the consulting agreement, Dr. Fung will continue to serve as our Chief Medical Officer and a member of the Company's Scientific Advisory Board. In lieu of Dr. Fung's prior compensation, the Company will pay Dr. Fung at the rate of \$145 per hour. The Company will also pay Dr. Fung at the rate of \$2,500 per quarter for services provided by him as a member of the Company's Scientific Advisory Board. Dr. Fung's consulting agreement and Scientific Advisory Board services were terminated effective June 26, 2012.

Other Named Executive Officers. Other Named Executive Officers entered into offer letters with the Company, whereby their employment with the Company was for an unspecified duration and constituted "at-will" employment, allowed them by notifying the Company or the Company with or without notice to terminate their employment with the Company at any time and for any reason whatsoever. Accordingly, upon a termination, the other Named Executive Officers would receive their accrued salary, earned bonus, unreimbursed expenses and other entitlements to the date of termination, unless the Compensation Committee determined to provide additional severance payments. In addition to their initial base salaries and initial option grant to purchase shares of our common stock, other Named Executive Officers were eligible for a bonus as a percentage of their base salary based on the achievement of reasonable performance-related goals as determined by the Board of Directors.

On April 4, 2012, we entered into an employment agreement with Eric J. Schoen, effective April 4, 2012. Pursuant to the terms of the employment agreement between the Company and Mr. Schoen, the Company will pay Mr. Schoen an annual base salary of \$160,000. Mr. Schoen will be eligible for a bonus of up to 30% of his base salary for achievement of reasonable performance-related goals and milestones. In the event Mr. Schoen is terminated without cause or resigns for good reason (as these terms are defined in the employment agreement), he is entitled to receive: (i) continued payment of his base salary as then in effect for a period of nine months following the date of termination; (ii) immediate vesting of 50% of any unvested options previously granted by the Company to him, in addition to a 24-month period after termination to exercise any and all of his vested options to purchase the Company's common stock; and (iii) continued health and dental benefits paid by the

Company until the earlier of nine months after termination or the time that Mr. Schoen obtains employment with reasonably comparable or better health and dental benefits. Additionally, if Mr. Schoen's employment is terminated without cause or resigns for good reason within the 12-month period following a change of control (as the term is defined in the employment agreement), then, in addition to the severance obligations due to Mr. Schoen as described above, 50% of any then-unvested options previously granted by the Company will vest upon the date of such termination.

On April 4, 2012, we entered into an employment agreement with William Creech, effective April 4, 2012. Pursuant to the terms of the employment agreement between the Company and Mr. Creech, the Company will pay Mr. Creech an annual base salary of \$225,000. Mr. Creech will be eligible for a bonus of up to 40% of his base salary for achievement of reasonable performance-related goals and milestones. In the event Mr. Creech is terminated without cause or resigns for good reason (as these terms are defined in the employment agreement), he is entitled to receive: (i) continued payment of his base salary as then in effect for a period of nine months following the date of termination; (ii) immediate vesting of 50% of any unvested options previously granted by the Company to him, in addition to a 24-month period after termination to exercise any and all of his vested options to purchase the Company's common stock; and (iii) continued health and dental benefits paid by the Company until the earlier of nine months after termination or the time that Mr. Creech obtains employment with reasonably comparable or better health and dental benefits. Additionally, if Mr. Creech's employment is terminated without cause or if he resigns for good reason within the 12-month period following a change of control (as the term is defined in the employment agreement), then, in addition to the severance obligations due to Mr. Creech as described above, 50% of any then-unvested options previously granted by the Company will vest upon the date of such termination.

Potential Payments Upon Termination

Due to their resignations, no termination fees were paid to each of Sandra A. Gardiner, Eric T. Fung, M.D., Ph.D., and Ashish Kohli. The following table set forth amounts payable to the other two Named Executive Officers, should he or she be terminated, as of December 31, 2011:

Name	Termination Scenario	Continued Payment of Base Salary	Immediate Vesting of Stock Options ⁽³⁾	Health and Dental Insurance Benefits ⁽⁴⁾
Gail S. Page	Termination ⁽¹⁾	\$385,000	—	\$11,677

William Creech ⁽⁵⁾	Termination ⁽¹⁾	—	—	—
	Within 12 Months After Change-in Control ⁽²⁾	—	—	—
	For cause	—	—	—

- (1) Termination includes the following separation scenarios: resignation, retirement and involuntary termination not for cause (in all cases, assuming the executive is not entering into competitive or other activity detrimental to us).
- (2) Termination of employment by us for reasons other than for cause or by Named Executive Officers for good reason within the 12-month period following a change in control (as defined in the respective employment agreements).
- (3) Assumes each Named Executive Officer exercised all vested, in-the-money options at \$1.17 (the December 31, 2011 closing price of our common stock). These amounts are in addition to the existing value of options vested at December 31, 2011.
- (4) Assumes each Named Executive Officer does not obtain employment with reasonably comparable or better health and dental benefits within the time period specified in the respective employment agreements.
- (5) The above table reflects terms as of the year ended December 31, 2011. While Mr. Creech had no agreement that provided for termination fees as of that year, the Company and Mr. Creech entered into an employment agreement, effective April 4, 2012, pursuant to which Mr. Creech is entitled to receive the following in the event of his termination without cause or resignation for good reason (as these terms are defined in the employment agreement): (i) continued payment of his base salary as then in effect for a period of nine months following the date of termination; (ii) immediate vesting of 50% of any unvested options previously granted by the Company to him, in addition to a 24-month period after termination to exercise any and all of his vested options to purchase the Company's common stock; and (iii) continued health and dental benefits paid by the Company until the earlier of nine months after termination or the time that Mr. Creech obtains employment with reasonably comparable or better health and dental benefits. Additionally, if Mr. Creech's employment is terminated without cause or he resigns for good reason within the 12-month period following a change of control (as the term is defined in the employment agreement), then, in addition to the severance obligations due to Mr. Creech as described above, 50% of any then-unvested options previously granted by the Company will vest upon the date of such termination

PROPOSAL TWO: ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), our stockholders are entitled to cast an advisory vote to approve the compensation of our Named Executive Officers as disclosed in the Compensation Discussion and Analysis of this proxy statement.

We believe that our compensation policies and procedures align with the long-term interests of our stockholders. Our compensation program is guided by the philosophy that total executive compensation should vary based on achievement of goals and objectives, both individual and corporate, and should be focused on long-term strategies to build stockholder value. The Compensation Committee acts diligently to provide compensation opportunities that are competitive and that emphasize performance with a long-term perspective. We believe that our philosophy and practices have resulted in executive compensation decisions that are appropriate and that have benefited the Company over time.

This vote is advisory, which means that this proposal is not binding. Nonetheless, our Board of Directors and our Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions for our Named Executive Officers.

Required Vote; Recommendation

The affirmative vote of a majority of the shares present at the Annual Meeting either in person or by proxy and entitled to vote is required to approve the compensation of our Named Executive Officers. Abstentions from voting will be counted for purposes of determining whether a quorum exists but will have no impact on the vote to approve the compensation of our Named Executive Officers.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information known to us regarding beneficial ownership of our common stock as of December 31, 2012, by (1) each person known by us to be the beneficial owner of five percent or more of the outstanding shares of the common stock, (2) each director as of December 31, 2012, (3) each Named Executive Officer as of December 31, 2012, and (4) all directors and executive officers as of December 31, 2012 as a group. All shares are subject to the named person's sole voting and investment power except where otherwise indicated. Unless otherwise noted below, the address of each beneficial owner listed in the table is c/o Vermillion, Inc., 12117 Bee Caves Road, Building Three, Suite 100, Austin, TX 78738.

Beneficial ownership is determined in accordance with Rule 13d-3(d)(1) under the Exchange Act. Shares of common stock, which are issued and outstanding, are deemed to be beneficially owned by any person who has or shares voting or investment power with respect to such shares. Shares of common stock which are issuable upon exercise of options or warrants are deemed to be issued and outstanding and beneficially owned by any person who has or shares voting or investment power over such shares only if the options or warrants in question are exercisable within 60 days of December 31, 2012, and, in any event, solely for purposes of calculating that person's percentage ownership of the common stock (and not for purposes of calculating the percentage ownership of any other person).

The number of shares of common stock deemed outstanding and used in the denominator for determining percentage ownership for each person equals (i) 15,200,079 shares of common stock outstanding as of December 31, 2012, plus (ii) such number of shares of common stock as are issuable pursuant to RSUs, options, warrants or convertible securities held by that person (and excluding RSUs, options, warrants and convertible securities held by other persons) which may be exercised within 60 days of December 31, 2012.

Transactions with Related Persons

For the years ended December 31, 2011, we did not engage in nor are we currently proposed to engage in any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any director, executive officer, holder of more than 5% of our common stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest other than (1) compensation agreements and other arrangements, which are described in “Executive Compensation,” and (2) the transactions described below.

Relationship with Quest Diagnostics Incorporated

Quest Diagnostics Incorporated (“Quest Diagnostics”) is a significant stockholder of Vermillion. On July 22, 2005, we entered into a strategic alliance agreement (the “Strategic Alliance Agreement”) with Quest Diagnostics to develop and commercialize up to three diagnostic tests from our product pipeline (the “Strategic Alliance”). The Strategic Alliance Agreement was set to expire on the earlier of (i) the three-year anniversary of the agreement, which was July 22, 2008, and (ii) the date on which Quest Diagnostics commercializes three diagnostic tests. On July 21, 2008, Vermillion and Quest Diagnostics amended the Strategic Alliance Agreement to extend the term of the agreement to end on the earlier of (i) September 1, 2008 and (ii) the date on which Quest Diagnostics commercializes the three diagnostic tests. On October 24, 2008, Vermillion and Quest Diagnostics amended the Strategic Alliance Agreement to extend the term of the agreement to end on the earlier of (i) September 1, 2009 and (ii) the date on which Quest Diagnostics makes its third development election. On October 7, 2009, Vermillion and Quest Diagnostics amended the strategic alliance agreement to extend the term of the agreement to end on the earlier of (i) October 7, 2012 and (ii) the date on which Quest Diagnostics commercializes the three diagnostic tests. Quest Diagnostics selected only two diagnostic tests, which are a peripheral artery disease (“PAD”) blood test and the OVA1™ ovarian tumor triage test, to commercialize prior to the October 7, 2012 expiration of the Strategic Alliance. Pursuant to the Amended Strategic Alliance Agreement, Quest Diagnostics will have the non-exclusive right to commercialize each of these tests on a worldwide basis, with exclusive commercialization rights in the clinical reference lab marketplace in each restricted territory, as the term is defined in the Amended Strategic Alliance Agreement, beginning on the date each test is first commercialized and ending on the third anniversary of the date that such test is cleared or approved by the United States Food and Drug Administration (“FDA”). As part of the Strategic Alliance, there is a royalty arrangement under which Quest Diagnostics will pay royalties to us based on fees earned by Quest Diagnostics for applicable diagnostic services, and we will pay royalties to Quest Diagnostics based on our revenue from applicable diagnostic products. On November 10, 2010, we entered into Amendment No. 4 to the Strategic Alliance Agreement with Quest Diagnostics. Pursuant to this Amendment, Quest Diagnostics will have the exclusive right to commercialize OVA1 for up to three additional years from the period as specified in the Strategic Alliance Agreement. The Amendment also establishes royalties, fees, and other payments related to the performance of OVA1. Quest Diagnostics will pay us a fixed payment of \$50 for each domestic OVA1 performed, as well as 33% of its “gross margin,” as the term is defined in the Amendment.

On April 2, 2011, we entered into Amendment No. 5 to the Strategic Alliance Agreement (“Amendment No. 5”) with Quest Diagnostics and Quest Diagnostic India Private Limited (“Quest Diagnostics India”). Pursuant to Amendment No. 5, Quest Diagnostics India will have the exclusive right to commercialize OVA1 in India for a certain period of time, as specified in the Strategic Alliance Agreement, as amended.

Directors and Executive Officers

On June 17, 2011, we entered into a consulting agreement with Bruce A Huebner, a member of our Board of Directors. Pursuant to the terms of the consulting agreement, Mr. Huebner will provide consulting services regarding market assessment and sales development for us and will be paid \$200 per hour. For 2011, the total amount of consulting fee expense for Mr. Huebner was \$9,200. Mr. Huebner was named our Interim President and Chief Executive Officer on November 26, 2012.

On November 2, 2011, we entered into a consulting agreement with Eric T. Fung, M.D., Ph.D., effective on November 4, 2011. Pursuant to the terms of the consulting agreement, Dr. Fung will continue to serve as our Chief Medical Officer and a member of our Scientific Advisory Board. In lieu of Dr. Fung's prior compensation, we will pay Dr. Fung at the rate of \$145 per hour. We will also pay Dr. Fung at the rate of \$2,500 per quarter for services provided by him as a member of our Scientific Advisory Board. Dr. Fung's consulting agreement and Scientific Advisory Board services were terminated effective June 26, 2012.

On March 1, 2012, we entered into a consulting agreement with Ashish Kohli. Pursuant to the term of the consulting agreement, Mr. Kohli will provide consulting services and will be paid \$150 per hour. Mr. Kohli's consulting agreement was terminated effective June 18, 2012.

On December 3, 2012, we entered into a consulting agreement with Gail S. Page. Pursuant to the terms of the Consulting Agreement, Ms. Page will assist the Company as needed, including providing advice and recommendations with respect to the development and commercialization of the Company's existing and future diagnostic tests, and managing and developing relationships with existing and future collaborators and partners. Ms. Page has agreed to provide a minimum of forty-eight (48) and a maximum of ninety-six (96) hours of consulting services per month. In consideration for such services, the Company will pay Ms. Page a monthly fee of \$18,000, plus \$250 for each hour of services provided in excess of the forty-eight (48) hour minimum. The Consulting Agreement has an initial term of six (6) months, after which it may be renewed for an additional six (6) month term by mutual agreement of the Company and Ms. Page.

We have entered into indemnification agreements with each of our directors and executive officers, which require us to indemnify our directors and officers to the fullest extent permitted by law in the State of Delaware.

The Audit Committee reviews and approves all related party transactions for which Audit Committee approval is required by NASDAQ Listing Rules and other applicable laws. The guidelines also provide that the Board of Directors should ensure that there is no abuse of corporate assets or unlawful related party transactions. Our corporate governance guidelines are posted under the Investor Relations section of our website at <http://www.vermillion.com>.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC and with any national securities exchange on which such securities are traded or quoted. Executive officers, directors and such stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. As a practical matter, we assist our directors and officers by completing and filing Section 16 reports on their behalf. Based solely on a review of the copies of such reports furnished to us, and the written representations of our directors and executive officers, we believe that our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, complied with all applicable filing requirements for the year ended December 31, 2011.

PROPOSAL THREE: RATIFICATION OF THE SELECTION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected BDO USA, LLP, an independent registered public accounting firm, to audit our financial statements for the year ending December 31, 2012, and recommends that stockholders vote for ratification of such selection. Notwithstanding this selection, the Audit Committee, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year if the Audit Committee feels that such a change would be in our best interests of our stockholders. In the event of a negative vote on ratification, the Audit Committee may reconsider its selection.

BDO USA, LLP was appointed by the Audit Committee of the Board on April 4, 2012. It is currently serving as our independent registered public accounting firm. BDO USA, LLP has represented to us that it is independent with respect to the Company within the meaning of the published rules and regulations of the SEC.

During the years ended December 31, 2010 and December 31, 2011 and through April 4, 2012, we did not consult BDO USA, LLP with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and no written report or oral advice was provided to us by BDO that was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issues, or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of regulation S-K, or a reportable event, as that term is defined in Item 304(a)(2)(ii) of Regulation S-K.

One or more Representatives of BDO USA, LLP plan to attend the Annual Meeting and will be available to answer appropriate questions from stockholders and, although they do not expect to do so, they will have the opportunity to make a statement if they so desire.

Prior Independent Registered Public Accounting Firm

Prior to the appointment of BDO USA, LLP as our independent registered public accounting firm, PricewaterhouseCoopers LLP was our independent registered public accounting firm since 1994 and served as our independent registered public accounting firm through April 4, 2012.

The audit reports issued by PricewaterhouseCoopers LLP for the years ended December 31, 2010 and 2011 did not contain any adverse opinion or disclaimer of opinion, nor were the reports qualified or modified as to uncertainty, audit scope or accounting principles, except that the audit reports on the Company's financial statements for the years ended December 31, 2010 and December 31, 2011 included an explanatory paragraph noting that the Company voluntarily filed for Chapter 11 bankruptcy protection on March 30, 2009 and subsequently emerged from bankruptcy on January 22, 2010, and the audit report on the Company's financial statements for the year ended December 31, 2011 also included an explanatory paragraph noting that there was substantial doubt about the Company's ability to continue as a going concern.

During the years ended December 31, 2010 and December 31, 2011 and through April 4, 2012, the Company did not have any disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused PricewaterhouseCoopers LLP to make reference thereto in its report on the Company's financial statements for such years. Also, during this period, there have been no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K, except that as disclosed in Item 4 of the Company's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2010, June 30, 2010 and September 30, 2010, management of the Company concluded that because the Company filed for Chapter 11 bankruptcy protection on March 30, 2009, the Company did not maintain sufficient staff

with the necessary experience in U.S. generally accepted accounting principles to timely perform its controls procedures relating to the accounting and reporting processes. Specifically, the Company did not have sufficient accounting and reporting expertise necessary to make estimates requiring significant judgment or to record complex transactions in a manner necessary to facilitate the timely filing of all Forms required by the Exchange Act of 1934, as amended, and as a result, the Company was not able to timely file all Forms required by the Exchange Act. Therefore, management concluded that this control deficiency constituted a material weakness as of March 31, 2010, June 30, 2010 and September 30, 2010.

We provided PricewaterhouseCoopers LLP with a copy of the foregoing disclosures and requested that PricewaterhouseCoopers LLP furnish it with a letter addressed to the SEC stating whether or not PricewaterhouseCoopers LLP agreed with the above statements. PricewaterhouseCoopers LLP furnished such a letter, dated April 9, 2012, and a copy is attached as Exhibit 16.1 to our Current Report on Form 8-K that was filed with the SEC on April 10, 2012.

One or more Representatives of PricewaterhouseCoopers LLP plan to attend the Annual Meeting and will be available to answer appropriate questions from stockholders and, although they do not expect to do so, they will have the opportunity to make a statement if they so desire.

Audit Committee Pre-Approval of Policies and Procedures

The Audit Committee is responsible for appointing, compensating and overseeing the work of the independent auditor. The Audit Committee has established a pre-approval procedure for all audit and permissible non-audit services to be performed by our independent auditor. The pre-approval policy requires that requests for services by the independent registered public accounting firm be submitted to our Chief Accounting Officer for review and approval. Any requests that are approved by the Chief Accounting Officer are then aggregated and submitted to the Audit Committee for approval at a meeting of the Audit Committee. Requests may be made with respect to either specific services or a type of service for predictable or recurring services.

All audit, audit-related, tax and other services, which include all permissible non-audit services, provided to us by PricewaterhouseCoopers LLP were pre-approved by the Audit Committee. Additionally, the Audit Committee concluded that the provision of those services by PricewaterhouseCoopers LLP was compatible with the maintenance of the independent registered public accounting firm's independence.

Required Vote; Recommendation

The affirmative vote of a majority of the shares present at the Annual Meeting either in person or by proxy and entitled to vote is required to ratify the selection of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012. As a result of the potential proxy contest initiated by the Group, this proposal will not be considered routine, and broker non-votes will not be counted as votes to ratify the selection of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2012.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE SELECTION OF BDO USA, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012.

**PROPOSAL FOUR: APPROVAL OF AN AMENDMENT AND RESTATEMENT OF THE
COMPANY'S 2010 STOCK INCENTIVE PLAN FOR THE PURPOSE OF INCREASING THE
NUMBER OF SHARES OF COMMON STOCK AUTHORIZED UNDER THE 2010 PLAN BY
1,300,000 SHARES**

Background and Purpose of Proposal

The Vermillion, Inc. 2010 Stock Incentive Plan (the "2010 Plan") was adopted by the Board of Directors on February 8, 2010 and was approved by our stockholders on December 3, 2010. A total of 1,322,983 shares of common stock have been reserved for issuance under the 2010 Plan. Of the 1,322,983 shares of common stock originally authorized under the 2010 Plan, after all award grants made by our Compensation Committee, as of December 31, 2012, 22,471 shares remained available for grant.

The Board of Directors unanimously approved and adopted, subject to the approval of the Company's stockholders at the Annual Meeting, an amended and restated 2010 Plan to increase the number of shares of common stock authorized under the 2010 Plan by 1,300,000 shares. The Company is proposing approval of the amended and restated 2010 Plan because it is necessary for the Company to continue to grant stock incentive awards to employees, directors and consultants as part of their compensation to provide appropriate incentives for sustaining our financial and operating performance and leadership excellence, to align their interests with those of our stockholders and to encourage them to remain with us for long and productive careers. In addition, members of the Board of Directors have only received equity compensation in 2010, 2011 and 2012 for Board of Director services (outside of the Debtor's Incentive Plan for services rendered during our bankruptcy proceedings, which was pursuant to an order of the Bankruptcy Court in April 2010).

The sole purpose for amending and restating the 2010 Plan is to increase the number of shares of common stock available for issuance. The 2010 Plan, as amended and restated, will increase the maximum number of shares available for awards by 1,300,000 shares. If this proposal is approved, the total number of shares available for future awards will be approximately 1,300,000, which the Company anticipates as being necessary for future awards for employees, directors and consultants for approximately the next 3 years. No other changes are made to the 2010 Plan.

If the amendment and restatement to the 2010 Plan is not adopted, the Board of Directors believes it will have significant difficulties attracting a new President and Chief Executive Officer of the Company, and retaining other officers and employees, making it difficult for the Company to continue operating.

As of December 31, 2012, there were 15,200,079 shares of our common stock outstanding. The increase of 1,300,000 shares of common stock available for grant under the amended and restated 2010 Plan will result in additional potential dilution of our outstanding stock.

The following is a summary of the material terms of the 2010 Plan, as amended and restated. The summary is qualified in its entirety by reference to the complete text of the amended and restated 2010 Plan. Stockholders are urged to read the actual text of the amended and restated 2010 Plan in its entirety, which is set forth as Appendix B to this proxy statement.

Summary of the Amended and Restated 2010 Plan

Purpose. The purposes of the 2010 Plan, as amended and restated, are (i) to enhance the Company's ability to attract highly qualified personnel;(ii) to strengthen its retention capabilities;(iii) to enhance the long-term performance and competitiveness of the Company; and (iv) to align the interests of participants in the 2010 Plan with those of the Company's stockholders.

Administration. The 2010 Plan will be administered by the Compensation Committee (the "Committee"), provided that the Board of Directors may act in lieu of the Committee on any matter. The Committee will hold meeting at such times and places as it may determine and will make such rules and regulations for the conduct of its business as it deems advisable.

Eligibility. Awards may be granted to employees, directors and consultants of the Company. The Committee will decide who should receive awards and what kind of awards they should receive.

Authorized Number of Shares. The 2010 Plan, as amended and restated, authorizes the issuance of 2,622,983 shares of the Company's common stock, subject to adjustment as provided in the 2010 Plan for stock splits, stock dividends, recapitalization, and other similar events.

Replenishment, Counting of Shares. Any shares reserved for the 2010 Plan awards will again be available for future awards if the shares for any reason will never be issued to a participant pursuant to an award (for example, due to its settlement in cash rather than in shares, or the award's forfeiture, cancellation, expiration, or net settlement without the issuance of shares). Further, and to the extent permitted under applicable law, the maximum number of shares available for delivery under the 2010 Plan shall not be reduced by any shares issued under the 2010 Plan through the settlement, assumption, or substitution of outstanding awards or obligations to grant future awards as a condition of the Company's or an affiliate's acquiring another entity. On the other hand, shares that a person owns and tenders in payment of all or part of the exercise price of an award or in satisfaction of applicable withholding taxes shall not increase the number of shares available for future issuance under the 2010 Plan.

Types of Awards. The Committee may grant the following types of awards under the 2010 Plan: stock options; share appreciation rights; restricted shares, restricted share units, and unrestricted shares; deferred share units; performance and cash-settled awards, and dividend equivalent rights.

Stock Options. A stock option is the right to purchase one or more shares of common stock at a specified price, as determined by the Committee. The Committee may grant non-qualified stock options ("Non-ISO") and incentive stock options ("ISO") under the 2010 Plan. A stock option is exercisable at such times and subject to such terms and conditions as the Committee determines. The exercise price of a stock option will not be less than 100% of the fair market value of a share of common stock on the date that the option is granted. Unless otherwise provided in applicable award agreements, options granted under the 2010 Plan are required to be exercised within 90 days after termination of the participant's continuous service (one year if termination is due to death, disability or retirement). No option will remain exercisable beyond 10 years after its grant date. ISOs may only be granted to employees (including officers who are employees) of the Company or an affiliate that is a "parent corporation" or "subsidiary corporation" within the meaning of Code Section 424. The 2010 Plan also provides that ISO treatment may not be available for stock options that become first exercisable in any calendar year to the extent the fair market value of the underlying shares of common stock that are the subject of the option exceeds \$100,000. Furthermore, the exercise price of ISOs may not be less than 110% of the fair market value of the underlying shares of common stock subject to the option for employees that own more than ten percent of the Company's shares of common stock on the grant date.

Share Appreciation Rights. A share appreciation right ("SAR") is a right to receive an amount in any combination of cash or shares equal in value to the excess of the fair market value of the shares covered by such SAR on the date of exercise over the aggregate exercise price of the SAR for such shares. SARs may be granted freestanding or in tandem with related options. The exercise price of an SAR granted in tandem with an option will be equal to the exercise price of the related option, and may be exercised for all or part of the shares covered by such option upon surrender of the right to exercise the equivalent portion of the related option. Any SAR granted in tandem with an ISO must contain such terms as may be required to comply with the provisions of Code Section 422. The exercise price of a freestanding SAR will be not less than the fair market value of a share of common stock on the date the SAR is granted. No SAR will remain exercisable beyond 10 years after its grant date.

Restricted Shares, Restricted Share Units and Unrestricted Shares Awards. Restricted shares and restricted share units ("RSU") are awards of common stock that are subject to substantial risks of forfeiture for a period of time and upon such other terms and conditions as the Committee determines. The Committee may make restricted share and RSU awards with or without the requirement for payment of cash or other consideration. To the extent provided in the applicable award, a participant may irrevocably elect to defer the receipt of all or a percentage of the

shares that would have been transferred to the participant both more than 12 months after the date of the participant's deferral election and upon the vesting of an RSU award. Unrestricted shares are awards of common stock which shall vest in full upon the grant date or such other date as the Committee may determine or which the Committee may issue pursuant to any program under which one or more eligible person elect to pay for such shares or to receive unrestricted shares in lieu of cash bonuses that would otherwise be paid.

Deferred Share Units. The Committee may make deferred share unit ("DSU") awards to eligible persons and may permit eligible persons to irrevocably elect, on an election form provided by and acceptable to the Committee, to forego the receipt of cash or other compensation (including the shares deliverable pursuant to any RSU award) and in lieu thereof to have the Company credit to an internal Plan account a number of DSUs having a fair market value equal to the shares and other compensation deferred. These credits will be made at the end of each calendar quarter (or other period determined by the Committee) during which compensation is deferred. Each participant shall be 100% vested at all times in any shares subject to DSUs. The Company shall settle a participant's DSU award by delivering one share for each DSU, in five substantially equal annual installments that are issued before the last day of each of the five calendar years that end after the date on which the participant's continuous service ends for any reason. The participant may elect a different form of distribution, only on a form provided by and acceptable to the Committee, that permits the participant to select any combination of a lump sum and annual installments that are triggered by, and completed within ten years following the last day of the participant's continuous service. In the event that a participant suffers an unforeseeable emergency, the participant may apply to the Committee for an immediate distribution of all or a portion of the participant's DSUs.

Performance /Cash-Settled Awards. The Committee may grant performance awards, including performance units to any eligible person, including performance unit awards that have substantially the same financial benefits and other terms and conditions as options, SARs, RSUs, or DSUs, but are settled only in cash. The Committee may, at the time of grant of a performance unit, designate such award as a performance compensation award in order that such award constitutes and has terms and conditions that are designed to qualify as "qualified performance-based compensation" under Code Section 162(m). With respect to such performance compensation award, the Committee shall establish, in writing, a performance period, performance measures and performance formula. A participant may be eligible to receive payment in respect of a performance compensation award only to the extent that the performance measure for such award is achieved and the performance formula as applied against such performance measure determines that all or some portion of such participant's award has been earned for the performance period. The maximum performance award and the maximum performance compensation award that any one participant may receive for any one performance period shall not exceed 25% of total number of shares reserved for issuance under the 2010 Plan, or for performance units to be settled in cash, U.S. \$2,000,000. The Committee may permit a participant who is a member of a select group of management or highly compensated employees (within the meaning of the Employee Retirement Income Security Act) to irrevocably elect, on a form provided by and acceptable to the Committee, to defer the receipt of all or a percentage of the cash or shares that would otherwise be transferred to the participant upon the vesting of the award.

Dividend Equivalent Rights. A dividend equivalent right shall entitle an eligible person who has received an award to be credited with dividends that the Company declares and pays (in cash, shares, or other securities) to its stockholders of record between the grant date and the settlement date of the award. Any dividend equivalent rights arising from cash dividends shall be immediately deemed to be reinvested in shares having a fair market value equal to such cash dividends. The Company shall settle dividend equivalent rights by issuing shares to a participant to the extent they were previously credited to the participant as dividend equivalent rights and are attributable to shares that the participant is either purchasing pursuant to the exercise of an option or SAR, or receiving a settlement of another award. The Committee may provide for an earlier or later settlement event for dividend equivalent rights, and complete or partial settlement in cash rather than in shares.

Taxes; Withholding. As a condition to the receipt of any award or any distribution in connection therewith, participants shall make such arrangements as the Company may require for the satisfaction of any applicable federal, state, local, or foreign withholding tax obligations that may arise in connection with the awards.

Non-Transferability of Awards. Awards may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent or distribution. During the life of the participant, awards are exercisable only by the holder, by the duly-authorized legal representative of a holder who is disabled, or by a permitted transferee. The Committee may in its discretion provide in an award agreement that an award in the form of a Non-ISO, a share-settled SAR, restricted shares, or performance shares may be transferred, on such terms and conditions as the Committee deems appropriate, either by instrument to the participant's immediate family, by instrument to an inter vivos or testamentary trust in which the award is to be passed to the participant's designated beneficiaries, or by gift to charitable institutions.

Forfeiture and Clawback. Unless otherwise provided in an agreement granting an award, the Company has the following recourse against a participant who does not comply with certain employment-related covenants, either during employment or for certain periods after ceasing to be employed: the Company may terminate any outstanding, unexercised, unexpired, unpaid, or deferred awards; rescind any exercise, payment or delivery pursuant to the award; or recapture any shares (whether restricted or unrestricted) or proceeds from the participant's sale of shares issued pursuant to the award. These remedies are also generally available to the Company for awards that would have had a lower grant level, vesting, or payment if a participant's fraud or misconduct had not caused or partially caused the need for a material financial restatement by the Company or any affiliate. In addition, all awards or proceeds from the sale of awards, made or earned pursuant to the 2010 Plan will be subject to the right of the Company to full recovery (with reasonable interest thereon) in the event that the Board determines reasonably and in good faith that any participant's fraud or misconduct has caused or partially caused the need for a material restatement of the Company's financial statements for any fiscal year to which the award relates.

Change in Capital Structure. In the event of a change in the outstanding shares of common stock due to a stock-split, reverse stock-split, stock dividend, combination, recapitalization or reclassification of the shares, merger, consolidation, change in form of organization, or any other increase or decrease in the number of issued shares effected without receipt of consideration by the Company, the Committee shall equitably adjust the number of shares covered by each outstanding award, the number of shares that have been authorized for issuance under the 2010 Plan but as to which no awards have yet been granted, and the exercise or other price per share covered by each outstanding award.

Change in Control. In the event of a change in control but subject to the terms of any award agreements or employment-related agreements between the Company or any affiliates and any participant, each outstanding award shall be assumed or a substantially equivalent award shall be substituted by the surviving or successor company or a parent or subsidiary of such successor company upon consummation of the transaction. Notwithstanding the foregoing, instead of having outstanding awards be assumed or replaced with equivalent awards by the successor company, the Committee may in its sole and absolute discretion and authority, (i) accelerate the vesting of awards so that awards shall vest (and, to the extent applicable, become exercisable) as to the shares that otherwise would have been unvested and provide that repurchase rights of the Company with respect to shares issued pursuant to an award shall lapse as to the shares subject to such repurchase right; (ii) arrange or otherwise provide for the payment of cash or other consideration to participants in exchange for the satisfaction and cancellation of outstanding awards (with the Committee determining the amount payable to each participant based on the fair market value, on the date of the change in control, of the award being cancelled, based on any reasonable valuation method selected by the Committee);(iii)terminate all or some awards upon the consummation of the transaction, provided that the Committee shall provide for vesting of such awards in full as of a date immediately prior to consummation of the change in control. To the extent that an award is not exercised prior to consummation of a transaction in which the award is not being assumed or substituted, such award shall terminate upon such consummation; and (iv) make such other modifications, adjustments or amendments to outstanding awards or the 2010 Plan as the Committee deems necessary or appropriate.

Plan Amendment and Termination. The Board of Directors may amend or terminate the 2010 Plan as it shall deem advisable; provided that no change shall be made that increases the total number of shares reserved for issuance pursuant to awards unless such change is authorized by the stockholders of the Company.

Term of Plan. If not sooner terminated by the Board, the 2010 Plan shall terminate at the close of business on the date ten years after February 8, 2010, the effective date. No awards shall be made under the 2010 Plan after its termination; however, termination of the Plan shall not affect the Committee's ability to exercise the powers granted to it with respect to awards granted under the Plan prior to the date of such termination.

Federal Income Tax Aspects of the Amended and Restated 2010 Plan

This is a brief summary of the United States federal income tax aspects of awards that may be made under the 2010 Plan, as amended and restated, based on existing U.S. federal income tax laws as of the date of this proxy statement. This summary provides only the basic tax rules and is not intended as, and should not be relied upon, as tax guidance for participants in the 2010 Plan. It does not describe the implications, if any, of a number of special tax rules, including, without limitation, the alternative minimum tax, the golden parachute tax rules under Sections 280G and 4999 of the Code, and foreign, state and local tax laws. In addition, this summary assumes that all awards are exempt from, or comply with, the rules under Section 409A of the Code regarding nonqualified deferred compensation. Changes to the tax laws could alter the tax consequences described below.

Incentive Stock Options (ISO). The grant of an ISO will not be a taxable event for the participant or for the Company. A participant will not recognize taxable income upon exercise of an ISO (except that the alternative minimum tax may apply), and any gain realized upon a disposition of common stock received pursuant to the exercise of an ISO will be taxed as long-term capital gain if the participant holds the shares of common stock for at least two years after the date of grant and for one year after the date of exercise (the "holding period requirement"). The Company will not be entitled to any business expense deduction with respect to the exercise of an ISO, except as discussed below. For the exercise of an option to qualify for the foregoing tax treatment, the participant generally must exercise the option while the participant is our employee or an employee of our subsidiary or, if the participant has terminated employment, no later than three months after the participant terminated employment. If all of the foregoing requirements are met except the holding period requirement mentioned above, the participant will recognize ordinary income upon the disposition of the common stock in an amount generally equal to the excess of the fair market value of the common stock at the time the option was exercised over the option exercise price (but not in excess of the gain realized on the sale). The balance of the realized gain, if any, will be capital gain. Vermillion will generally be allowed a business expense deduction when and to the extent the participant recognizes ordinary income, subject to the restrictions of Section 162(m) of the Code.

Non-Qualified Options ("Non-ISO"). The grant of a Non-ISO will not be a taxable event for the participant or Vermillion. Upon exercising a Non-ISO, a participant will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of the common stock on the date of exercise. Upon a subsequent sale or exchange of shares acquired pursuant to the exercise of a Non-ISO, the participant will have taxable capital gain or loss, measured by the difference between the amount realized on the disposition and the tax basis of the shares of common stock (generally, the amount paid for the shares plus the amount treated as ordinary income at the time the option was exercised). Subject to the restrictions of Section 162(m) of the Code, the Company will be entitled to a business expense deduction in the same amount and generally at the same time as the participant recognizes ordinary income.

Stock Appreciation Rights. There are no immediate tax consequences of receiving an award of stock appreciation rights under the 2010 Plan. Upon exercising a stock appreciation right, a participant will recognize ordinary income in an amount equal to the difference between the exercise price and the fair market value of the common stock on the date of exercise. Subject to the restrictions of Section 162(m) of the Code, the Company will be entitled to a business expense deduction in the same amount and generally at the same time as the participant recognizes ordinary income.

Unrestricted Stock Awards. Upon receipt of an unrestricted stock award, a participant generally will recognize compensation taxable as ordinary income in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid by the participant with respect to the shares. Subject to the

restrictions of Section 162(m) of the Code, the Company will be entitled to a business expense deduction in the same amount and generally at the same time as the participant recognizes ordinary income.

Restricted Shares. A participant who is awarded restricted stock will not recognize any taxable income for federal income tax purposes in the year of the award, provided that the shares of common stock are subject to restrictions (that is, the restricted stock is nontransferable and subject to a substantial risk of forfeiture). However, the participant may elect under Section 83(b) of the Code to recognize ordinary income in the year of the award in an amount equal to the fair market value of the common stock on the date of the award (less the purchase price, if any), determined without regard to the restrictions. If the participant does not make such a Section 83(b) election, the fair market value of the common stock on the date the restrictions lapse (less the purchase price, if any) will be treated as ordinary income to the participant and will be taxable in the year the restrictions lapse. A participant who is awarded shares that are not subject to restrictions will recognize ordinary income equal to the fair market value of the shares on the date of the award. Subject to the restrictions of Section 162(m) of the Code, the Company will be entitled to a business expense deduction in the same amount and generally at the same time as the participant recognizes ordinary income.

Restricted Share Units, Performance/Cash-Settled Awards. The taxation of these awards will depend on the specific terms of the award. Generally, the award of restricted share units, performance/cash-settled awards will have no federal income tax consequences for Vermillion or for the participant. Generally, the payment of the award is taxable to a participant as ordinary income. Subject to the restrictions of Section 162(m) of the Code, Vermillion will be entitled to a business expense deduction in the same amount and generally at the same time as the participant recognizes ordinary income.

VERMILLION, INC.

2010 STOCK INCENTIVE PLAN

(As amended and restated on April 25, 2012)

Plan Document

1. Introduction.

(a) *Purpose.* Vermillion, Inc. (the “Company”) hereby establishes this equity-based incentive compensation plan to be known as the “Vermillion, Inc. 2010 Stock Incentive Plan” (the “Plan”), for the following purposes: (i) to enhance the Company’s ability to attract highly qualified personnel; (ii) to strengthen its retention capabilities; (iii) to enhance the long-term performance and competitiveness of the Company; and (iv) to align the interests of Plan participants with those of the Company’s stockholders. This Plan is intended to serve as the sole source for all future equity-based awards to those eligible for Plan participation.

(b) *Effective Date.* This Plan shall become effective immediately upon Board approval (the “Effective Date”), provided that the Company’s ability to award ISOs under this Plan shall be subject to and contingent on the Plan’s receipt of stockholder approval by a vote of a majority of the votes cast (or by such other stockholder vote that the Committee determines to be sufficient for the issuance of ISOs according to the Company’s governing documents and Applicable Law) at a meeting of the Company’s stockholders that is duly held within one year after the date on which the Board approves the Plan.

(c) *Definitions.* Terms in the Plan and any Appendix that begin with an initial capital letter have the defined meaning set forth in *Appendix I* or elsewhere in this Plan, in either case unless the context of their use clearly indicates a different meaning.

(d) *Effect on Other Plans, Awards, and Arrangements.* This Plan is not intended to affect and shall not affect any stock options, equity-based compensation, or other benefits that the Company or its Affiliates may have provided, or may separately provide in the future, pursuant to any agreement, plan, or program that is independent of this Plan.

(e) *Appendices.* Incorporated by reference and thereby part of the Plan are the definitions set forth in Appendix I hereof.

2. Types of Awards. The Plan permits the granting of the following types of Awards according to the Sections of the Plan listed here:

Section 5	Stock Options
Section 6	Share Appreciation Rights (“ <u>SARs</u> ”)
Section 7	Restricted Shares, Restricted Share Units (“ <u>RSUs</u> ”), and Unrestricted Shares
Section 8	Deferred Share Units (“ <u>DSUs</u> ”)
Section 9	Performance and Cash-settled Awards
Section 10	Dividend Equivalent Rights

3. Shares Available for Awards.

(a) *Generally,* Subject to Section 13 below, a total of 2,622,983 Shares shall be available for issuance under the Plan. The Shares deliverable pursuant to Awards shall be authorized but unissued Shares, or Shares that the Company otherwise holds in treasury or in trust.

(b) *Replenishment; Counting of Shares.* Any Shares reserved for Plan Awards will again be available for future Awards if the Shares for any reason will never be issued to a Participant or Beneficiary pursuant to an Award (for example, due to its settlement in cash rather than in Shares, or the Award's forfeiture, cancellation, expiration, or net settlement without the issuance of Shares). Further, and to the extent permitted under Applicable Law, the maximum number of Shares available for delivery under the Plan shall not be reduced by any Shares issued under the Plan through the settlement, assumption, or substitution of outstanding awards or obligations to grant future awards as a condition of the Company's or an Affiliate's acquiring another entity. On the other hand, Shares that a Person owns and tenders in payment of all or part of the exercise price of an Award or in satisfaction of applicable Withholding Taxes shall not increase the number of Shares available for future issuance under the Plan.

(c) *ISO Share Reserve.* The number of Shares that are available for ISO Awards shall not exceed the total number set forth in Section 3(a) above (as adjusted pursuant to Section 13 of the Plan, and as determined in accordance with Code Section 422).

4. Eligibility.

(a) *General Rule.* Subject to the express provisions of the Plan, the Committee shall determine from the class of Eligible Persons those Persons to whom Awards may be granted. Each Award shall be evidenced by an Award Agreement that sets forth its Grant Date and all other terms and conditions of the Award, that is signed on behalf of the Company (or delivered by an authorized agent through an electronic medium), and that, if required by the Committee, is signed by the Eligible Person as an acceptance of the Award. The grant of an Award shall not obligate the Company or any Affiliate to continue the employment or service of any Eligible Person, or to provide any future Awards or other remuneration at any time thereafter.

(b) *Option and SAR Limits per Person.* During the term of the Plan, no Participant may receive Options and SARs that relate to more than 25% of the maximum number of Shares issuable under the Plan as of its Effective Date, as such number may be adjusted pursuant to Section 13 below.

(c) *Replacement Awards.* Subject to Applicable Law (including any associated stockholder approval requirements), the Committee may, in its sole discretion and upon such terms as it deems appropriate, require as a condition of the grant of an Award to a Participant that the Participant, with the Participant's consent, surrender for cancellation some or all of the Awards or other grants that the Participant has received under this Plan or otherwise. An Award conditioned upon such surrender may or may not be the same type of Award, may cover the same (or a lesser or greater) number of Shares as such surrendered Award, may have other terms that are determined without regard to the terms or conditions of such surrendered Award, and may contain any other terms that the Committee deems appropriate. In the case of Options and SARs, these other terms may not involve an exercise price that is lower than the exercise price of the surrendered Option or SAR unless the Company's stockholders approve the grant itself or the program under which the grant is made pursuant to the Plan.

5. Stock Options.

(a) *Grants.* Subject to the special rules for ISOs set forth in the next paragraph, the Committee may grant Options to Eligible Persons pursuant to Award Agreements setting forth terms and conditions that are not inconsistent with the Plan, that may be immediately exercisable or that may become exercisable in whole or in part based on future events or conditions, that may include vesting or other requirements for the right to exercise the Option, and that may differ for any reason between Eligible Persons or classes of Eligible Persons, *provided* in all instances that:

- (i) the exercise price for Shares subject to purchase through exercise of an Option shall not be less than 100% of the Fair Market Value of the underlying Shares on the Grant Date; and
- (ii) no Option shall be exercisable for a term ending more than ten years after its Grant Date.

(b) *Special ISO Provisions.* The following provisions shall control any grants of Options that are denominated as ISOs.

- (i) *Eligibility.* The Committee may grant ISOs only to Employees (including officers who are Employees) of the Company or an Affiliate that is a “parent corporation” or “subsidiary corporation” within the meaning of Code Section 424.
- (ii) *Documentation.* Each Option that is intended to be an ISO must be designated in the Award Agreement as an ISO, provided that any Option designated as an ISO will be a Non-ISO to the extent the Option fails to meet the requirements of Code Section 422. In the case of an ISO, the Committee shall determine on the Date of Grant the acceptable methods of paying the exercise price for Shares, and it shall be included in the applicable Award Agreement.
- (iii) *\$100,000 Limit.* To the extent that the aggregate Fair Market Value of Shares with respect to which ISOs first become exercisable by a Participant in any calendar year (under this Plan and any other plan of the Company or any Affiliate) exceeds U.S. \$100,000, such excess Options shall be treated as Non-ISOs. For purposes of determining whether the U.S. \$100,000 limit is exceeded, the Fair Market Value of the Shares subject to an ISO shall be determined as of the Grant Date. In reducing the number of Options treated as ISOs to meet the U.S. \$100,000 limit, the most recently granted Options shall be reduced first. In the event that Code Section 422 is amended to alter the limitation set forth therein, the limitation of this paragraph shall be automatically adjusted accordingly.
- (iv) *Grants to 10% Holders.* In the case of an ISO granted to an Employee who is a Ten Percent Holder on the Grant Date, the ISO’s term shall not exceed five years from the Grant Date, and the exercise price shall be at least 110% of the Fair Market Value of the underlying Shares on the Grant Date. In the event that Code Section 422 is amended to alter the limitations set forth therein, the limitation of this paragraph shall be automatically adjusted accordingly.
- (v) *Substitution of Options.* In the event the Company or an Affiliate acquires (whether by purchase, merger, or otherwise) all or substantially all of outstanding capital stock or assets of another corporation or in the event of any reorganization or other transaction qualifying under Code Section 424, the Committee may, in accordance with the provisions of that Section, substitute ISOs for ISOs previously granted under the plan of the acquired company *provided* (A) the excess of the aggregate Fair Market Value of the Shares subject to an ISO immediately after the substitution over the aggregate exercise price of such shares is not more than the similar excess immediately before such substitution, and (B) the new ISO does not give additional benefits to the Participant, including any extension of the exercise period.
- (vi) *Notice of Disqualifying Dispositions.* By executing an ISO Award Agreement, each Participant agrees to notify the Company in writing immediately after the Participant sells, transfers or otherwise disposes of any Shares acquired through exercise of the ISO, if such disposition occurs within the earlier of (A) two years of the Grant Date, or (B) one year after the exercise of the ISO being exercised. Each Participant further agrees to provide any information about a disposition of Shares as may be requested by the Company to assist it in complying with any applicable tax laws.

(c) *Method of Exercise.* Each Option may be exercised, in whole or in part (provided that the Company shall not be required to issue fractional shares) at any time and from time to time prior to its expiration, but only pursuant to the terms of the applicable Award Agreement, and subject to the times, circumstances and conditions for exercise contained in the applicable Award Agreement. Exercise shall occur by delivery of both written notice of exercise to the secretary of the Company, and payment of the full exercise price for the Shares being purchased. The methods of payment that the Committee may in its discretion accept or commit to accept in an Award Agreement include:

- (i) cash or check payable to the Company (in U.S. dollars);
- (ii) other Shares that (A) are owned by the Participant who is purchasing Shares pursuant to an Option, (B) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which the Option is being exercised, (C) are all, at the time of such surrender, free and clear of any and all claims, pledges, liens and encumbrances, or any restrictions which would in any

manner restrict the transfer of such shares to or by the Company (other than such restrictions as may have existed prior to an issuance of such Shares by the Company to such Participant), and (D) are duly endorsed for transfer to the Company;

- (iii) a net exercise by surrendering to the Company Shares otherwise receivable upon exercise of the Option;
- (iv) a cashless exercise program that the Committee may approve, from time to time in its discretion, pursuant to which a Participant may elect to concurrently provide irrevocable instructions (A) to such Participant’s broker or dealer to effect the immediate sale of the purchased Shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the exercise price of the Option plus all applicable taxes required to be withheld by the Company by reason of such exercise, and (B) to the Company to deliver the certificates for the purchased Shares directly to such broker or dealer in order to complete the sale; or
- (v) any combination of the foregoing methods of payment.

The Company shall not be required to deliver Shares pursuant to the exercise of an Option until the Company has received sufficient funds to cover the full exercise price due and all applicable Withholding Taxes required by reason of such exercise.

Notwithstanding any other provision of the Plan to the contrary, no Participant who is a Director or an “executive officer” of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to make payment with respect to any Awards granted under the Plan, or continue any extension of credit with respect to such payment with a loan from the Company or a loan arranged by the Company in violation of Section 13(k) of the Exchange Act.

(d) *Exercise of an Unvested Option.* The Committee in its sole discretion may allow a Participant to exercise an unvested Option, in which case the Shares then issued shall be Restricted Shares having analogous vesting restrictions to the unvested Option.

(e) *Termination of Continuous Service.* The Committee may establish and set forth in the applicable Award Agreement the terms and conditions on which an Option shall remain exercisable, if at all, following termination of a Participant’s Continuous Service. The Committee may waive or modify these provisions at any time. To the extent that a Participant is not entitled to exercise an Option at the date of his or her termination of Continuous Service, or if the Participant (or other person entitled to exercise the Option) does not exercise the Option to the extent so entitled within the time specified in the Award Agreement or below (as applicable), the Option shall terminate and the Shares underlying the unexercised portion of the Option shall revert to the Plan and become available for future Awards.

The following provisions shall apply to the extent an Award Agreement does not specify the terms and conditions upon which an Option shall terminate when there is a termination of a Participant’s Continuous Service:

<u>Reason for terminating Continuous Service</u>	<u>Option Termination Date</u>
(I) By the Company for Cause, or what would have been Cause if the Company had known all of the relevant facts.	Termination of the Participant’s Continuous Service, or when Cause first existed if earlier.
(II) Disability of the Participant.	Within one year after termination of the Participant’s Continuous Service.
(III) Retirement of the Participant after age 65 with five years or more of Continuous Service.	Within one year after termination of the Participant’s Continuous Service.
(IV) Death of the Participant during Continuous Service or within 90 days thereafter.	Within one year after termination of the Participant’s Continuous Service.
(V) Other than due to Cause or the Participant’s Disability, Retirement, or Death.	Within 90 days after termination of the Participant’s Continuous Service.

If there is a Securities and Exchange Commission blackout period (or a Committee-imposed blackout period) that prohibits the buying or selling of Shares during any part of the ten day period before the expiration of any Option based on the termination of a Participant's Continuous Service (as described above), the period for exercising the Options shall be extended until ten days beyond when such blackout period ends. Notwithstanding any provision hereof or within an Award Agreement, no Option shall ever be exercisable after the expiration date of its original term as set forth in the Award Agreement.

(f) *Buyout.* The Committee may at any time offer to buy out an Option, in exchange for a payment in cash or Shares, based on such terms and conditions as the Committee shall establish and communicate to the Participant at the time that such offer is made. In addition, but subject to any stockholder approval requirement of Applicable Law as well as to any Applicable Law that would adversely affect a Participant whose Award is cashed-out, if the Fair Market Value for Shares subject to an Option is more than 33% below their exercise price for more than 30 consecutive business days, the Committee may unilaterally terminate and cancel the Option either (i) by paying the Participant, in cash or Shares, an amount not less than the Black-Scholes value of the vested portion of the Option being cancelled, (ii) by irrevocably committing to grant, on any date the Committee designates, a new Award other than an Option or SAR, or (iii) by irrevocably committing to grant a new Option, on a designated date on or after such termination and cancellation of such Option (but only if the Participant's Continuous Service has not terminated prior to such designated date), on substantially the same terms as the cancelled Option, *provided* that the per Share exercise price for the new Option shall equal the per Share Fair Market Value of a Share on the date the new grant occurs.

6. SARs.

(a) *Grants.* The Committee may grant SARs to Eligible Persons pursuant to Award Agreements setting forth terms and conditions that are not inconsistent with the Plan; *provided* that:

- (i) the exercise price for the Shares subject to each SAR shall not be less than 100% of the Fair Market Value of the underlying Shares on the Grant Date;
- (ii) no SAR shall be exercisable for a term ending more than ten years after its Grant Date; and
- (iii) each SAR shall, except to the extent an SAR Award Agreement provides otherwise, be subject to the provisions of Section 5(e) relating to the effect of a termination of Participant's Continuous Service and Section 5(f) relating to buyouts, in each case with "SAR" being substituted for "Option."

(b) *Settlement.* Subject to the Plan's terms, an SAR shall entitle the Participant, upon exercise of the SAR, to receive Shares having a Fair Market Value on the date of exercise equal to the product of the number of Shares as to which the SAR is being exercised, and the excess of (i) the Fair Market Value, on such date, of the Shares covered by the exercised SAR, over (ii) an exercise price designated in the SAR Award Agreement. Notwithstanding the foregoing, an SAR Award Agreement may limit the total settlement value that the Participant will be entitled to receive upon the SAR's exercise, and may provide for settlement either in cash or in any combination of cash or Shares that the Committee may authorize pursuant to an Award Agreement. If, on the date on which an SAR or portion thereof is to expire, the Fair Market Value exceeds the per Share exercise price of such SAR, then the SAR shall be deemed exercised and cancelled without any payment in settlement thereof; subject to any specific provision to the contrary within an Award Agreement.

(c) *SARs related to Options.* The Committee may grant SARs either concurrently with the grant of an Option or with respect to an outstanding Option, in which case the SAR shall extend to all or a portion of the Shares covered by the related Option, and shall have an exercise price that is not less than the exercise price of the related Option. An SAR shall entitle the Participant who holds the related Option, upon exercise of the SAR and surrender of the related Option, or portion thereof, to the extent the SAR and related Option each were previously unexercised, to receive payment of an amount determined pursuant to Section 6(b) above. Any SAR granted in tandem with an ISO will contain such terms as may be required to comply with the provisions of Code Section 422.

(d) *Effect on Available Shares.* At each time of an exercise of an SAR that is settled in Shares, only those Shares that are issued or delivered in settlement of the exercise shall be counted against the number of Shares available for Awards under the Plan; *provided* that the number of Shares that are issued or delivered pursuant to the exercise of an SAR shall not exceed the number of Shares specified in the Award Agreement as being subject to the SAR Award.

7. Restricted Shares, RSUs, and Unrestricted Share Awards.

(a) *Grant.* The Committee may grant Restricted Share, RSU, or Unrestricted Share Awards to Eligible Persons, in all cases pursuant to Award Agreements setting forth terms and conditions that are not inconsistent with the Plan. The Committee shall establish as to each Restricted Share or RSU Award the number of Shares deliverable or subject to the Award (which number may be determined by a written formula), and the period or periods of time (the “Restriction Period”) at the end of which all or some restrictions specified in the Award Agreement shall lapse, and the Participant shall receive unrestricted Shares (or cash to the extent provided in the Award Agreement) in settlement of the Award. Such restrictions may include, without limitation, restrictions concerning voting rights and transferability, and such restrictions may lapse separately or in combination at such times and pursuant to such circumstances or based on such criteria as selected by the Committee, including, without limitation, criteria based on the Participant’s duration of employment, directorship or consultancy with the Company, individual, group, or divisional performance criteria, Company performance, or other criteria selection by the Committee. The Committee may make Restricted Share and RSU Awards with or without the requirement for payment of cash or other consideration. In addition, the Committee may grant Awards hereunder in the form of Unrestricted Shares which shall vest in full upon the Grant Date or such other date as the Committee may determine or which the Committee may issue pursuant to any program under which one or more Eligible Persons (selected by the Committee in its sole discretion) elect to pay for such Shares or to receive Unrestricted Shares in lieu of cash bonuses that would otherwise be paid.

(b) *Vesting and Forfeiture.* The Committee shall set forth, in an Award Agreement granting Restricted Shares or RSUs, the terms and conditions under which the Participant’s interest in the Restricted Shares or the Shares subject to RSUs will become vested and non-forfeitable. Except as set forth in the applicable Award Agreement or as the Committee otherwise determines, upon termination of a Participant’s Continuous Service for any reason, the Participant shall forfeit his or her Restricted Shares and RSUs to the extent the Participant’s interest therein has not vested on or before such termination date; *provided* that if a Participant purchases Restricted Shares and forfeits them for any reason, the Company shall return the purchase price to the Participant to the extent either set forth in an Award Agreement or required by Applicable Law.

(c) *Certificates for Restricted Shares.* Unless otherwise provided in an Award Agreement, the Company shall hold certificates representing Restricted Shares and dividends (whether in Shares or cash) that accrue with respect to them until the restrictions lapse, and the Participant shall provide the Company with appropriate stock powers endorsed in blank. The Participant’s failure to provide such stock powers within ten days after a written request from the Company shall entitle the Committee to unilaterally declare a forfeiture of all or some of the Participant’s Restricted Shares.

(d) *Section 83(b) Elections.* A Participant may make an election under Code Section 83(b) (the “Section 83(b) Election”) with respect to Restricted Shares. A Participant who has received RSUs may, within ten days after receiving the RSU Award, provide the Committee with a written notice of his or her desire to make Section 83(b) Election with respect to the Shares subject to such RSUs. The Committee may in its discretion convert the Participant’s RSUs into Restricted Shares, on a one-for-one basis, in full satisfaction of the Participant’s RSU Award. The Participant may then make a Section 83(b) Election with respect to those Restricted Shares; *provided* that the Participant’s Section 83(b) Election will be invalid if not filed with the Company and the appropriate U.S. tax authorities within 30 days after the Grant Date of the RSUs replaced by the Restricted Shares.

(e) *Deferral Elections for RSUs.* To the extent specifically provided in an Award Agreement, a Participant may irrevocably elect, in accordance with Section 8 below, to defer the receipt of all or a percentage of the Shares that would otherwise be transferred to the Participant both more than 12 months after the date of the Participant's deferral election and upon the vesting of an RSU Award. If the Participant makes this election, the Company shall credit the Shares subject to the election, and any associated Shares attributable to Dividend Equivalent Rights attached to the Award, to a DSU account established pursuant to Section 8 below on the date such Shares would otherwise have been delivered to the Participant pursuant to this Section.

(f) *Issuance of Shares upon Vesting.* As soon as practicable after vesting of a Participant's Restricted Shares (or of the right to receive Shares underlying RSUs), the Company shall deliver to the Participant, free from vesting restrictions, one Share for each surrendered and vested Restricted Share (or deliver one Share free of the vesting restriction for each vested RSU), unless an Award Agreement provides otherwise and subject to Section 11 regarding Withholding Taxes. No fractional Shares shall be distributed, and cash shall be paid in lieu thereof.

8. DSUs.

(a) *Elections to Defer.* The Committee may make DSU awards to Eligible Persons pursuant to Award Agreements (regardless of whether or not there is a deferral of the Eligible Person's compensation), and may permit select Eligible Persons to irrevocably elect, on a form provided by and acceptable to the Committee (the "Election Form"), to forego the receipt of cash or other compensation (including the Shares deliverable pursuant to any RSU Award) and in lieu thereof to have the Company credit to an internal Plan account a number of DSUs having a Fair Market Value equal to the Shares and other compensation deferred. These credits will be made at the end of each calendar quarter (or other period determined by the Committee) during which compensation is deferred. Notwithstanding the foregoing sentence, a Participant's Election Form will be ineffective with respect to any compensation that the Participant earns before the date on which the Election Form takes effect. For any Participant who is subject to U.S. income taxation, the Committee shall only authorize deferral elections under this Section (i) pursuant to written procedures, and using written Election Forms, that satisfy the requirements of Code Section 409A, and (ii) only by Eligible Persons who are Directors, Consultants, or members of a select group of management or highly compensated Employees (within the meaning of ERISA).

(b) *Vesting.* Unless an Award Agreement expressly provides otherwise, each Participant shall be 100% vested at all times in any Shares subject to DSUs.

(c) *Issuances of Shares.* Unless an Award Agreement expressly provides otherwise, the Company shall settle a Participant's DSU Award, by delivering one Share for each DSU, in five substantially equal annual installments that are issued before the last day of each of the five calendar years that end after the date on which the Participant's Continuous Service ends for any reason, subject to –

- (i) the Participant's right to elect a different form of distribution, only on a form provided by and acceptable to the Committee, that permits the Participant to select any combination of a lump sum and annual installments that are triggered by, and completed within ten years following, the last day of the Participant's Continuous Service, and
- (ii) the Company's acceptance of the Participant's distribution election form executed at the time the Participant elects to defer the receipt of cash or other compensation pursuant to Section 8(a), *provided* that the Participant may change a distribution election through any subsequent election that (A) the Participant delivers to the Company at least one year before the date on which distributions are otherwise scheduled to commence pursuant to the Participant's initial distribution election, and (B) defers the commencement of distributions by at least five years from the originally scheduled distribution commencement date.

Fractional shares shall not be issued, and instead shall be paid out in cash.

(d) *Emergency Withdrawals.* In the event that a Participant suffers an unforeseeable emergency within the contemplation of this Section, the Participant may apply to the Committee for an immediate distribution of all or a portion of the Participant's DSUs. The unforeseeable emergency must result from a sudden and unexpected illness or accident of the Participant, the Participant's spouse, or a dependent (within the meaning of Code Section 152) of the Participant, casualty loss of the Participant's property, or other similar extraordinary and unforeseeable conditions beyond the control of the Participant. The Committee shall, in its sole and absolute discretion, determine whether a Participant has a qualifying unforeseeable emergency, may require independent verification of the emergency, and may determine whether or not to provide the Participant with cash or Shares. Examples of purposes which are not considered unforeseeable emergencies include post-secondary school expenses or the desire to purchase a residence. In no event will a distribution be made to the extent the unforeseeable emergency could be relieved through reimbursement or compensation by insurance or otherwise, or by liquidation of the Participant's nonessential assets to the extent such liquidation would not itself cause a severe financial hardship. The amount of any distribution hereunder shall be limited to the amount necessary to relieve the Participant's unforeseeable emergency plus amounts necessary to pay taxes reasonably anticipated as a result of the distribution. The number of Shares subject to the Participant's DSU Award shall be reduced by any Shares distributed to the Participant and by a number of Shares having a Fair Market Value on the date of the distribution equal to any cash paid to the Participant pursuant to this Section. For all DSUs granted to Participants who are U.S. taxpayers, the term "unforeseeable emergency" shall be interpreted in accordance with Code Section 409A.

(e) *Termination of Service.* For purposes of this Section, a Participant's "Continuous Service" shall only end when the Participant incurs a "separation from service" within the meaning of Treasury Regulations § 1.409A-1(h). A Participant shall be considered to have experienced a termination of Continuous Service when the facts and circumstances indicate that either (i) no further services will be performed for the Company or any Affiliate after a certain date, or (ii) that the level of bona fide services the Participant will perform after such date (whether as an Employee, Director, or Consultant) are reasonably expected to permanently decrease to no more than 50% of the average level of bona fide services performed by such Participant (whether as an Employee, Director, or Consultant) over the immediately preceding 36-month period (or full period of services to the Company and its Affiliates if the Participant has been providing such services for less than 36 months).

9. Performance and Cash-Settled Awards.

(a) *Performance Units.* Subject to the limitations set forth in paragraph (b) hereof, the Committee may in its discretion grant Performance Awards, including Performance Units to any Eligible Person, including Performance Unit Awards that (i) have substantially the same financial benefits and other terms and conditions as Options, SARs, RSUs, or DSUs, but (ii) are settled only in cash. All Awards hereunder shall be made pursuant to Award Agreements setting forth terms and conditions that are not inconsistent with the Plan.

(b) *Performance Compensation Awards.* Subject to the limitations set forth in this Section, the Committee may, at the time of grant of a Performance Unit, designate such Award as a "Performance Compensation Award" (payable in cash or Shares) in order that such Award constitutes, and has terms and conditions that are designed to qualify as, "qualified performance-based compensation" under Code Section 162(m). With respect to each such Performance Compensation Award, the Committee shall establish, in writing within the time required under Code Section 162(m), a "Performance Period," "Performance Measure(s)," and "Performance Formula(e)" (each such term being defined below). Once established for a Performance Period, the Performance Measure(s) and Performance Formula(e) shall not be amended or otherwise modified to the extent such amendment or modification would cause the compensation payable pursuant to the Award to fail to constitute qualified performance-based compensation under Code Section 162(m).

A Participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that the Performance Measure(s) for such Award is achieved and the Performance Formula(e) as applied against such Performance Measure(s) determines that all or some portion of such Participant's Award has

been earned for the Performance Period. As soon as practicable after the close of each Performance Period, the Committee shall review and certify in writing whether, and to what extent, the Performance Measure(s) for the Performance Period have been achieved and, if so, determine and certify in writing the amount of the Performance Compensation Award to be paid to the Participant and, in so doing, may use negative discretion to decrease, but not increase, the amount of the Award otherwise payable to the Participant based upon such performance

(c) *Limitations on Awards.* The maximum Performance Award and the maximum Performance Compensation Award that any one Participant may receive for any one Performance Period, without regard to time of vesting or exercisability, shall not together exceed 25% of the number of Shares reserved under Section 3, as adjusted pursuant to Section 13 below (or, for Performance Units to be settled in cash, U.S. \$2,000,000. The Committee shall have the discretion to provide in any Award Agreement that any amounts earned in excess of these limitations will be credited as DSUs or as deferred cash compensation under a separate plan of the Company (*provided* in the latter case that such deferred compensation either bears a reasonable rate of interest or has a value based on one or more predetermined actual investments). Any amounts for which payment to the Participant is deferred pursuant to the preceding sentence shall be paid to the Participant in a future year or years not earlier than, and only to the extent that, the Participant is either not receiving compensation in excess of these limits for a Performance Period, or is not subject to the restrictions set forth under Code Section 162(b).

(d) *Definitions.*

- (i) “*Performance Formula*” means, for a Performance Period, one or more objective formulas or standards established by the Committee for purposes of determining whether or the extent to which an Award has been earned based on the level of performance attained or to be attained with respect to one or more Performance Measure(s). Performance Formulae may vary from Performance Period to Performance Period and from Participant to Participant and may be established on a stand-alone basis, in tandem or in the alternative.
- (ii) “*Performance Measure*” means one or more of the following selected by the Committee to measure Company, Affiliate, and/or business unit performance for a Performance Period, whether in absolute or relative terms (including, without limitation, terms relative to a peer group or index): basic, diluted, or adjusted earnings per share; sales or revenue; earnings before interest, taxes, and other adjustments (in total or on a per share basis); basic or adjusted net income; returns on equity, assets, capital, revenue or similar measure; economic value added; working capital; total stockholder return; and product development, product market share, research, licensing, successfully completion clinical trials, submission of applications with the U.S. Food and Drug Administration (“FDA”) for new tests, receipt from the FDA of clearance for new tests, commercialization of new tests, litigation, human resources, information services, mergers, acquisitions, sales of assets of Affiliates or business units. Each such measure shall be, to the extent applicable, determined in accordance with generally accepted accounting principles as consistently applied by the Company (or such other standard applied by the Committee) and, if so determined by the Committee, and in the case of a Performance Compensation Award, to the extent permitted under Code Section 162(m), adjusted to omit the effects of extraordinary items, gain or loss on the disposal of a business segment, unusual or infrequently occurring events and transactions and cumulative effects of changes in accounting principles. Performance Measures may vary from Performance Period to Performance Period and from Participant to Participant, and may be established on a stand-alone basis, in tandem or in the alternative.
- (iii) “*Performance Period*” means one or more periods of time (of not less than one fiscal year of the Company), as the Committee may designate, over which the attainment of one or more Performance Measure(s) will be measured for the purpose of determining a Participant’s rights in respect of an Award.

(e) *Deferral Elections.* At any time prior to the date that is both at least six months before the close of a Performance Period (or shorter or longer period that the Committee selects) with respect to a Performance Award

and at which time vesting or payment is substantially uncertain to occur, the Committee may permit a Participant who is a member of a select group of management or highly compensated employees (within the meaning of ERISA) to irrevocably elect, on a form provided by and acceptable to the Committee, to defer the receipt of all or a percentage of the cash or Shares that would otherwise be transferred to the Participant upon the vesting of such Award. If the Participant makes this election, the cash or Shares subject to the election, and any associated interest and dividends, shall be credited to an account established pursuant to Section 8 hereof on the date such cash or Shares would otherwise have been released or issued to the Participant pursuant to this Section.

10. Dividend Equivalent Rights. To the extent expressly provided in an Award Agreement, a Dividend Equivalent Right shall entitle an Eligible Person who has received an Award to be credited with dividends that the Company declares and pays (in cash, Shares, or other securities) to its stockholders of record between the Grant Date and the settlement date of the Award. Any Dividend Equivalent Rights arising from cash dividends shall be immediately deemed to be reinvested in Shares having a Fair Market Value equal to such cash dividends (unless an Award Agreement provides otherwise). The Company shall settle Dividend Equivalent Rights by issuing Shares to a Participant to the extent they were previously credited to the Participant as Dividend Equivalent Rights and are attributable to Shares that the Participant is either purchasing pursuant to the exercise of an Option or SAR, or receiving as settlement of another Award. Notwithstanding the foregoing, the Committee may in an Award Agreement or modification thereto provide for (i) an earlier or later settlement event for Dividend Equivalent Rights, and (ii) complete or partial settlement in cash rather than in Shares.

11. Taxes; Withholding.

(a) *General Rule.* Participants are solely responsible and liable for the satisfaction of all taxes and penalties that may arise in connection with Awards, and neither the Company, any Affiliate, nor any of their employees, directors, or agents shall have any obligation to mitigate, indemnify, or to otherwise hold any Participant harmless from any or all of such taxes. The Company's obligation to deliver Shares (or to pay cash) to Participants pursuant to Awards is at all times subject to their prior or coincident satisfaction of all required Withholding Taxes. Except to the extent otherwise either provided in an Award Agreement or thereafter authorized by the Committee, the Company or any Affiliate will satisfy required Withholding Taxes that the Participant has not otherwise arranged to settle before the due date thereof –

- (i) first from withholding the cash otherwise payable to the Participant pursuant to the Award;
- (ii) then by withholding and cancelling the Participant's rights with respect to a number of Shares that (A) would otherwise have been delivered to the Participant pursuant to the Award, and (B) have an aggregate Fair Market Value equal to the Withholding Taxes (such withheld Shares to be valued on the basis of the aggregate Fair Market Value thereof on the date of the withholding); and
- (iii) finally, withholding the cash otherwise payable to the Participant by the Company.

The number of Shares withheld and cancelled to pay a Participant's Withholding Taxes will be rounded up to the nearest whole Share sufficient to satisfy such taxes, with cash being paid to the Participant in an amount equal to the amount by which the Fair Market Value of such Shares exceeds the Withholding Taxes.

(b) *U.S. Code Section 409A.* To the extent that the Committee determines that any Award granted under the Plan is subject to Code Section 409A, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Code Section 409A. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Code Section 409A and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, the Committee may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate (i) to exempt the Award from Code Section 409A

and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (ii) to comply with the requirements of Code Section 409A and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under such Section.

(c) *Unfunded Tax Status.* The Plan is intended to be an “unfunded” plan for incentive compensation. With respect to any payments not yet made to a Person pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Person any rights that are greater than those of a general creditor of the Company or any Affiliate, and a Participant’s rights under the Plan at all times constitute an unsecured claim against the general assets of the Company for the collection of benefits as they come due. Neither the Participant nor the Participant’s duly-authorized transferee or Beneficiaries shall have any claim against or rights in any specific assets, Shares, or other funds of the Company.

12. Non-Transferability of Awards.

(a) *General.* Except as set forth in this Section, or as otherwise approved by the Committee, Awards may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent or distribution. The designation of a death Beneficiary by a Participant will not constitute a transfer. An Award may be exercised, during the lifetime of the holder of an Award, only by such holder, by the duly-authorized legal representative of a holder who is Disabled, or by a transferee permitted by this Section.

(b) *Limited Transferability Rights.* The Committee may in its discretion provide in an Award Agreement that an Award in the form of a Non-ISO, a Share-settled SAR, Restricted Shares, or Performance Shares may be transferred, on such terms and conditions as the Committee deems appropriate, either (i) by instrument to the Participant’s “Immediate Family” (as defined below), (ii) by instrument to an inter vivos or testamentary trust (or other entity) in which the Award is to be passed to the Participant’s designated beneficiaries, or (iii) by gift to charitable institutions. Any transferee of the Participant’s rights shall succeed and be subject to all of the terms of the applicable Award Agreement and the Plan. “Immediate Family” means any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, and shall include adoptive relationships.

(c) *Death.* In the event of the death of a Participant, any outstanding Awards issued to the Participant shall automatically be transferred to the Participant’s Beneficiary (or, if no Beneficiary is designated or surviving, to the person or persons to whom the Participant’s rights under the Award pass by will or the laws of descent and distribution).

13. Change in Capital Structure; Change in Control; Etc.

(a) *Changes in Capitalization.* The Committee shall equitably adjust the number of Shares covered by each outstanding Award, and the number of Shares that have been authorized for issuance under the Plan but as to which no Awards have yet been granted or that have been returned to the Plan upon cancellation, forfeiture, or expiration of an Award, as well as the exercise or other price per Share covered by each such outstanding Award, to reflect any increase or decrease in the number of issued Shares resulting from a stock-split, reverse stock-split, stock dividend, combination, recapitalization or reclassification of the Shares, merger, consolidation, change in form of organization, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company. In the event of any such transaction or event, the Committee may provide in substitution for any or all outstanding Awards under the Plan such alternative consideration (including cash or securities of any surviving entity) as it may in good faith determine to be equitable under the circumstances and may require in connection therewith the surrender of all Awards so replaced. In any case, such substitution of cash or securities shall not require the consent of any person who is granted Awards pursuant to the Plan. Except as expressly provided herein, or in an Award Agreement, if the Company issues for consideration shares of stock of any class or securities convertible into shares of stock of any class, the issuance shall not affect, and no adjustment by reason thereof shall be required to be made with respect to the number or price of Shares subject to any Award.

(b) *Dissolution or Liquidation.* In the event of the dissolution or liquidation of the Company other than as part of a Change of Control, each Award will terminate immediately prior to the consummation of such dissolution or liquidation, subject to the ability of the Committee to exercise any discretion authorized in the case of a Change in Control.

(c) *Change in Control.* In the event of a Change in Control but subject to the terms of any Award Agreements or employment-related agreements between the Company or any Affiliates and any Participant, each outstanding Award shall be assumed or a substantially equivalent award shall be substituted by the surviving or successor company or a parent or subsidiary of such successor company (in each case, the “Successor Company”) upon consummation of the transaction. Notwithstanding the foregoing, instead of having outstanding Awards be assumed or replaced with equivalent awards by the Successor Company, the Committee may in its sole and absolute discretion and authority, without obtaining the approval or consent of the Company’s stockholders or any Participant with respect to his or her outstanding Awards, take one or more of the following actions (with respect to any or all of the Awards, and with discretion to differentiate between individual Participants and Awards for any reason):

- (i) accelerate the vesting of Awards so that Awards shall vest (and, to the extent applicable, become exercisable) as to the Shares that otherwise would have been unvested and provide that repurchase rights of the Company with respect to Shares issued pursuant to an Award shall lapse as to the Shares subject to such repurchase right;
- (ii) arrange or otherwise provide for the payment of cash or other consideration to Participants in exchange for the satisfaction and cancellation of outstanding Awards (with the Committee determining the amount payable to each Participant based on the Fair Market Value, on the date of the Change in Control, of the Award being cancelled, based on any reasonable valuation method selected by the Committee);
- (iii) terminate all or some Awards upon the consummation of the transaction, *provided* that the Committee shall provide for vesting of such Awards in full as of a date immediately prior to consummation of the Change in Control. To the extent that an Award is not exercised prior to consummation of a transaction in which the Award is not being assumed or substituted, such Award shall terminate upon such consummation;
- (iv) make such other modifications, adjustments or amendments to outstanding Awards or this Plan as the Committee deems necessary or appropriate, subject however to the terms of Section 13 above.

14. Termination, Rescission and Recapture of Awards.

(a) Each Award under the Plan is intended to align the Participant’s long-term interests with those of the Company. Accordingly, unless otherwise expressly provided in an Award Agreement, the Company may terminate any outstanding, unexercised, unexpired, unpaid, or deferred Awards (“Termination”), rescind any exercise, payment or delivery pursuant to the Award (“Rescission”), or recapture any Shares (whether restricted or unrestricted) or proceeds from the Participant’s sale of Shares issued pursuant to the Award (“Recapture”), if the Participant does not comply with the conditions of subsections (b), (c), and (e) hereof (collectively, the “Conditions”).

(b) The Participant shall comply with any agreement between the Participant and the Company with regard to nondisclosure of the Company’s proprietary or confidential information or material.

(c) The Participant shall comply with any agreement between the Participant and the Company with regard to intellectual property (including but not limited to patents, trademarks, copyrights, trade secrets, inventions, developments and improvements).

(d) Upon exercise, payment, or delivery of cash or Common Stock pursuant to an Award, the Participant shall certify on a form acceptable to the Company that he or she is in compliance with the terms and conditions of the Plan.

(e) If the Company determines, in its sole and absolute discretion, that (i) a Participant has violated any of the Conditions set forth in subsection (b) or(c); (ii) during his or her Continuous Service, or within one year after its termination for any reason, a Participant has solicited any non-administrative employee of the Company to terminate employment with the Company; or (y) during his or her Continuous Service, a Participant has engaged in activities which are materially prejudicial to or in conflict with the interests of the Company, including any breaches of fiduciary duty or the duty of loyalty, then the Company may, in its sole and absolute discretion, impose a Termination, Rescission, and/or Recapture with respect to any or all of the Participant's relevant Awards, Shares, and the proceeds thereof.

(f) Within ten days after receiving notice from the Company of any such activity described in Section 14(e) above, the Participant shall deliver to the Company the Shares acquired pursuant to the Award, or, if Participant has sold the Shares, the gain realized, or payment received as a result of the rescinded exercise, payment, or delivery; *provided*, that if the Participant returns Shares that the Participant purchased pursuant to the exercise of an Option (or the gains realized from the sale of such Common Stock), the Company shall promptly refund the exercise price, without earnings, that the Participant paid for the Shares. Any payment by the Participant to the Company pursuant to this Section shall be made either in cash or by returning to the Company the number of Shares that the Participant received in connection with the rescinded exercise, payment, or delivery.

(g) Notwithstanding the foregoing provisions of this Section, the Company has sole and absolute discretion not to require Termination, Rescission and/or Recapture, and its determination not to require Termination, Rescission and/or Recapture with respect to any particular act by a particular Participant or Award shall not in any way reduce or eliminate the Company's authority to require Termination, Rescission and/or Recapture with respect to any other act or Participant or Award.

(h) All administrative and discretionary authority given to the Company under this Section shall be exercised by the most senior human resources executive of the Company or such other person or committee (including without limitation the Committee) as the Committee may designate from time to time.

(i) If any provision within this Section is determined to be unenforceable or invalid under any Applicable Law, such provision will be applied to the maximum extent permitted by Applicable Law, and shall automatically be deemed amended in a manner consistent with its objectives and any limitations required under Applicable Law.

15. Recoupment of Awards. Unless otherwise specifically provided in an Award Agreement, and to the extent permitted by Applicable Law, the Committee may in its sole and absolute discretion, without obtaining the approval or consent of the Company's stockholders or of any Participant, require that any Participant reimburse the Company for all or any portion of any Awards granted under this Plan ("Reimbursement"), or the Committee may require the Termination or Rescission of, or the Recapture associated with, any Award, if and to the extent –

(a) the granting, vesting, or payment of such Award was predicated upon the achievement of certain financial results that were subsequently the subject of a material financial restatement;

(b) in the Committee's view the Participant either benefited from a calculation that later proves to be materially inaccurate, or engaged in fraud or misconduct that caused or partially caused the need for a material financial restatement by the Company or any Affiliate; and

(c) a lower granting, vesting, or payment of such Award would have occurred based upon the conduct described in clause (b) of this Section.

In each instance, the Committee will, to the extent practicable and allowable under Applicable Laws, require Reimbursement, Termination or Rescission of, or Recapture relating to, any such Award granted to a Participant;

provided that the Company will not seek Reimbursement, Termination or Rescission of, or Recapture relating to, any such Awards that were paid or vested more than three years prior to the first date of the applicable restatement period.

16. Relationship to other Benefits. No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

17. Administration of the Plan. The Committee shall administer the Plan in accordance with its terms, *provided* that the Board may act in lieu of the Committee on any matter. The Committee shall hold meetings at such times and places as it may determine and shall make such rules and regulations for the conduct of its business as it deems advisable. In the absence of a duly appointed Committee, the Board shall function as the Committee for all purposes of the Plan.

(a) *Committee Composition.* The Board shall appoint the members of the Committee. If and to the extent permitted by Applicable Law, the Committee may authorize one or more executive officers to make Awards to Eligible Persons other than themselves. The Board may at any time appoint additional members to the Committee, remove and replace members of the Committee with or without Cause, and fill vacancies on the Committee however caused.

(b) *Powers of the Committee.* Subject to the provisions of the Plan, the Committee shall have the authority, in its sole discretion:

- (i) to grant Awards and to determine Eligible Persons to whom Awards shall be granted from time to time, and the number of Shares, units, or dollars to be covered by each Award;
- (ii) to determine, from time to time, the Fair Market Value of Shares;
- (iii) to determine, and to set forth in Award Agreements, the terms and conditions of all Awards, including any applicable exercise or purchase price, the installments and conditions under which an Award shall become vested (which may be based on performance), terminated, expired, cancelled, or replaced, and the circumstances for vesting acceleration or waiver of forfeiture restrictions, and other restrictions and limitations;
- (iv) to approve the forms of Award Agreements and all other documents, notices and certificates in connection therewith which need not be identical either as to type of Award or among Participants;
- (v) to construe and interpret the terms of the Plan and any Award Agreement, to determine the meaning of their terms, and to prescribe, amend, and rescind rules and procedures relating to the Plan and its administration;
- (vi) to the extent consistent with the purposes of the Plan and without amending the Plan, to modify, to cancel, or to waive the Company's rights with respect to any Awards, to adjust or to modify Award Agreements for changes in Applicable Law, and to recognize differences in foreign law, tax policies, or customs;
- (vii) in the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting, settlement, or exercise of Award, such as a system using an internet website or interactive voice response, to implement paperless documentation, granting, settlement, or exercise of Awards by a Participant may be permitted through the use of such an automated system; and
- (viii) to make all interpretations and to take all other actions that the Committee may consider necessary or advisable to administer the Plan or to effectuate its purposes.

Subject to Applicable Law and the restrictions set forth in the Plan, the Committee may delegate administrative functions to individuals who are Directors or Employees.

(c) *Local Law Adjustments and Sub-plans.* To facilitate the making of any grant of an Award under this Plan, the Committee may adopt rules and provide for such special terms for Awards to Participants who are located within the United States, foreign nationals, or who are employed by the Company or any Affiliate outside of the United States of America as the Committee may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Without limiting the foregoing, the Company is specifically authorized to adopt rules and procedures regarding the conversion of local currency, taxes, withholding procedures and handling of stock certificates which vary with the customs and requirements of particular countries. The Company may adopt sub-plans and establish escrow accounts and trusts, and settle Awards in cash in lieu of shares, as may be appropriate, required or applicable to particular locations and countries.

(d) *Action by Committee.* Unless otherwise established by the Board or in any charter of the Committee, a majority of the Committee shall constitute a quorum and the acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by all members of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by an officer or other employee of the Company or any Affiliate, the Company's independent certified public accounts, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

(e) *Deference to Committee Determinations.* The Committee shall have the discretion to interpret or construe ambiguous, unclear, or implied (but omitted) terms in any fashion it deems to be appropriate in its sole discretion, and to make any findings of fact needed in the administration of the Plan or Award Agreements. The Committee's prior exercise of its discretionary authority shall not obligate it to exercise its authority in a like fashion thereafter. The Committee's interpretation and construction of any provision of the Plan, or of any Award or Award Agreement, and all determination the Committee makes pursuant to the Plan shall be final, binding, and conclusive. The validity of any such interpretation, construction, decision or finding of fact shall not be given de novo review if challenged in court, by arbitration, or in any other forum, and shall be upheld unless clearly made in bad faith or materially affected by fraud.

(f) *No Liability; Indemnification.* Neither the Board nor any Committee member, nor any Person acting at the direction of the Board or the Committee, shall be liable for any act, omission, interpretation, construction or determination made in good faith with respect to the Plan, any Award or any Award Agreement. The Company and its Affiliates shall pay or reimburse any member of the Committee, as well as any Director, Employee, or Consultant who in good faith takes action on behalf of the Plan, for all expenses incurred with respect to the Plan, and to the full extent allowable under Applicable Law shall indemnify each and every one of them for any claims, liabilities, and costs (including reasonable attorney's fees) arising out of their good faith performance of duties on behalf of the Plan. The Company and its Affiliates may, but shall not be required to, obtain liability insurance for this purpose.

(g) *Expenses.* The expenses of administering the Plan shall be borne jointly and severally by the Company and its Affiliates.

18. Modification of Awards and Substitution of Options. Within the limitations of the Plan, the Committee may modify an Award to accelerate the rate at which an Option or SAR may be exercised, to accelerate the vesting of any Award, to extend or renew outstanding Awards, to accept the cancellation of outstanding Awards to the extent not previously exercised, or to make any change that the Plan would permit for a new Award. Notwithstanding the foregoing, no modification of an outstanding Award may materially and adversely affect a Participant's rights thereunder unless either (a) the Participant provides written consent to the modification, or (b) before a Change in Control, the Committee determines in good faith that the modification is not materially adverse to the Participant.

19. Plan Amendment and Termination. The Board may amend or terminate the Plan as it shall deem advisable; *provided* that no change shall be made that increases the total number of Shares reserved for issuance pursuant to Awards (except pursuant to Section 13 above) unless such change is authorized by the stockholders of the Company. A termination or amendment of the Plan shall not materially and adversely affect a Participant's vested rights under an Award previously granted to him or her, unless either (a) the Participant consents in writing to such termination or amendment, or (b) before a Change in Control, the Committee determines in good faith that the modification is not materially adverse to the Participant. Notwithstanding the foregoing, the Committee may amend the Plan to comply with changes in tax or securities laws or regulations, or in the interpretation thereof.

20. Term of Plan. If not sooner terminated by the Board, this Plan shall terminate at the close of business on the date ten years after its Effective Date. No Awards shall be made under the Plan after its termination; however, termination of the Plan shall not affect the Committee's ability to exercise the powers granted to it hereunder with respect to Awards granted under the Plan prior to the date of such termination.

21. Governing Law. The terms of this Plan shall be governed by the laws of the State of California, within the United States of America, without regard to the State's conflict of laws rules.

22. Laws and Regulations.

(a) *General Rules.* This Plan, the granting of Awards, the exercise of Options and SARs, and the obligations of the Company hereunder (including those to pay cash or to deliver, sell or accept the surrender of any of its Shares or other securities) shall be subject to all Applicable Law. In the event that any Shares are not registered under any Applicable Law prior to the required delivery of them pursuant to Awards, the Company may require, as a condition to their issuance or delivery, that the persons to whom the Shares are to be issued or delivered make any written representations and warranties (such as that such Shares are being acquired by the Participant for investment for the Participant's own account and not with a view to, for resale in connection with, or with an intent of participating directly or indirectly in, any distribution of such Shares) that the Committee may reasonably require, and the Committee may in its sole discretion include a legend to such effect on the certificates representing any Shares issued or delivered pursuant to the Plan.

(b) *Black-out Periods.* Notwithstanding any contrary terms within the Plan or any Award Agreement, the Committee shall have the absolute discretion to impose a "blackout" period on the exercise of any Option or SAR, as well as the settlement of any Award, with respect to any or all Participants (including those whose Continuous Service has ended) to the extent that the Committee determines that doing so is either desirable or required in order to comply with applicable securities laws.

23. No Stockholder Rights. Neither a Participant nor any transferee or Beneficiary of a Participant shall have any rights as a stockholder of the Company with respect to any Shares underlying any Award until the date of issuance of a share certificate to such Participant, transferee, or Beneficiary for such Shares in accordance with the Company's governing instruments and Applicable Law. Prior to the issuance of Shares or Restricted Shares pursuant to an Award, a Participant shall not have the right to vote or to receive dividends or any other rights as a stockholder with respect to the Shares underlying the Award (unless otherwise provided in the Award Agreement for Restricted Shares), notwithstanding its exercise in the case of Options and SARs. No adjustment will be made for a dividend or other right that is determined based on a record date prior to the date the stock certificate is issued, except as otherwise specifically provided for in this Plan or an Award Agreement.

Appendix I: Definitions

As used in the Plan, the following terms have the meanings indicated when they begin with initial capital letters within the Plan:

“Affiliate” means, with respect to any Person, any other Person that directly or indirectly controls or is controlled by or under common control with such Person. For the purposes of this definition, “control,” when used with respect to any Person, means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of such Person or the power to elect directors, whether through the ownership of voting securities, by contract or otherwise; and the terms “affiliated,” “controlling” and “controlled” have meanings correlative to the foregoing.

“Applicable Law” means the legal requirements relating to the administration of options and share-based plans under any applicable laws of the United States, any other country, and any provincial, state, or local subdivision, any applicable stock exchange or automated quotation system rules or regulations, as such laws, rules, regulations and requirements shall be in place from time to time.

“Award” means any award made pursuant to the Plan, including awards made in the form of an Option, an SAR, a Restricted Share, a RSU, an Unrestricted Share, a DSU, a Performance Award, or Dividend Equivalent Rights, or any combination thereof, whether alternative or cumulative.

“Award Agreement” means any written document setting forth the terms of an Award that has been authorized by the Committee. The Committee shall determine the form or forms of documents to be used, and may change them from time to time for any reason.

“Beneficiary” means the person or entity designated by the Participant, in a form approved by the Company, to exercise the Participant’s rights with respect to an Award or receive payment or settlement under an Award after the Participant’s death.

“Board” means the Board of Directors of the Company.

“Cause” will have the meaning set forth in any unexpired employment agreement between the Company and the Participant. In the absence of such an agreement, “Cause” will exist if the Participant is terminated from employment or other service with the Company or an Affiliate for any of the following reasons: (i) the Participant’s willful failure to substantially perform his or her duties and responsibilities to the Company or deliberate violation of a material Company policy; (ii) the Participant’s commission of any material act or acts of fraud, embezzlement, dishonesty, or other willful misconduct; (iii) the Participant’s material unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom the Participant owes an obligation of nondisclosure as a result of his or her relationship with the Company; or (iv) Participant’s willful and material breach of any of his or her obligations under any written agreement or covenant with the Company. The foregoing definition does not in any way limit the Company’s ability to terminate a Participant’s employment or consulting relationship at any time, and the term “Company” will be interpreted herein to include any Affiliate or successor thereto, if appropriate.

“Change in Control” means any of the following:

(i) *Merger*. The Company consummates a merger, or consolidation of the Company with any other corporation unless: (A) the voting securities of the Company outstanding immediately before the merger or consolidation would continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 50% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; and (B) no

Person (other than Persons who are Employees at any time more than one year before a transaction) becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company's then outstanding securities.

(ii) *Sale of Assets*. The stockholders of the Company approve an agreement for the sale or disposition by the Company of all, or substantially all, of the Company's assets.

Notwithstanding the foregoing, a "Change in Control" shall not be deemed to have occurred by virtue of the consummation of any transaction or series of integrated transactions immediately following which the record holders of the common stock of the Company immediately prior to such transaction or series of transactions continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of the Company immediately following such transaction or series of transactions.

Continuous Service shall not be considered interrupted in the case of: (i) sick leave; (ii) military leave; (iii) any other leave of absence approved by the Committee, *provided* that such leave is for a period of not more than 90 days, unless reemployment upon the expiration of such leave is guaranteed by contract or statute, or unless provided otherwise pursuant to Company policy adopted from time to time; (iv) changes in status from Director to advisory director or emeritus status; or (v) transfers between locations of the Company or between the Company and its Affiliates. Changes in status between service as an Employee, Director, and a Consultant will not constitute an interruption of Continuous Service if the individual continues to perform bona fide services for the Company. The Committee shall have the discretion to determine whether and to what extent the vesting of any Awards shall be tolled during any paid or unpaid leave of absence; *provided, however*, that in the absence of such determination, vesting for all Awards shall be tolled during any such unpaid leave (but not for a paid leave).
